

SCHOLARSHIP PARTNERS PROGRAM

BRIDGING THE GAP:

Together, the Scholarship Partners Program and the Work-Study Program make a Cristo Rey education affordable for families of limited means.

Students commit to four years of hard work — in the classroom and at their Work-Study job — to prepare for success in college and future careers. The rigorous academic curriculum combined with professional work experience set Cristo Rey students apart from their peers.

Cristo Rey Philadelphia High School is committed to making a college preparatory education affordable and accessible through its unique funding model. The Scholarship Partners Program bridges the gap between what students earn at their Work-Study job, what their families contribute, and the cost of a Cristo Rey education. The generosity and commitment of our Scholarship Partners ensures Cristo Rey students have access to the high-quality, formative education they deserve.

MAKING A CRISTO REY EDUCATION AFFORDABLE:

- **Work-Study Revenue** 50%
- **Scholarship Partner Donations** 40%
- **Family Contribution** 10%

**Through Cristo Rey's unique model, a family pays on average \$1,400 per year for their students to receive an education that costs \$20,000 per year.*

NANCY VOGT
SCHOLARSHIP PARTNER

“Through the Scholarship Partners Program, I’ve had the opportunity to get to know students on a deeper level. They are such determined, hard-working, and passionate students with big dreams for their futures. Cristo Rey has helped set them on the path for success, and it is amazing to witness their transformation into young people ready to change the world.”

ERIN JONES
CRISTO REY STUDENT

“It was so nice meeting and sharing my experiences at Cristo Rey with my Scholarship Partners. Being a part of the program gave me an opportunity to practice networking and express my gratitude to our supporters. It also made me feel more connected to our larger community.”

HOW IT WORKS:

Partners choose to either:

- Pledge \$20,000 payable over four years to support a student with a scholarship throughout their time at Cristo Rey Philadelphia
- Provide \$5,000 for a one-year student scholarship

+ Add \$2,500 for a one-year scholarship for a Horizons student

Horizons at Cristo Rey is a tuition-free, high-quality, summer and after school academic enrichment program serving K-8 students in North Philadelphia.

Horizons is an extension of the Cristo Rey mission to provide a more equitable education for students in underserved communities and prepare them for college preparatory high schools like Cristo Rey.

ENGAGEMENT OPPORTUNITIES:

To honor your gift, Cristo Rey Philadelphia matches each Scholarship Partner with a student scholar. Throughout the year, Cristo Rey Philadelphia offers opportunities to engage with your scholar. In addition to one-on-one breakfasts and lunches, all Scholarship Partners receive:

- An invitation to Cristo Rey’s annual Scholarship Partners Celebration
- An invitation to events where student scholars are being honored, including Honors Convocations and Graduation
- A letter from a Cristo Rey Scholar during each school year

For those who support a Horizons at Cristo Rey student, Scholarship Partners will receive:

- An invitation to visit Horizons at Cristo Rey’s summer program and meet your scholar
- An invitation to the Horizons End of Summer Celebration
- Opportunities to connect with your scholar throughout the year
