4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year. We will continue to encourage all families who may qualify to apply for free & reduced lunch status. We will increase and diversify our communication to families around the opportunities to receive support if they qualify for free & reduced lunch. We will also educate coaches on the policy and the process of supporting families who qualify for fee waivers so that they can communicate specifically with their athletes.
