A. Prohibiting Harassment, Intimidation, or Bullying

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. The Board has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards; harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Since students learn by example, school administrators, faculty, staff, and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s); adoptive parent(s); legal guardian(s); resource family parent(s); or parent surrogate(s) of a student. When parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided parental rights have not been terminated by a court of appropriate jurisdiction.

B. Definition of Harassment, Intimidation, or Bullying

"Harassment, intimidation, or bullying" means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic;
2. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3;

3. Substantially disrupts or interferes with the orderly operation of the school or the rights of other students; and that
 - a. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to their person or damage to their property; or
 - b. Has the effect of insulting or demeaning any student or group of students; or
 - c. Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

The Board recognizes that bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. Recognizing "a real or perceived power imbalance" may assist school officials in identifying harassment, intimidation, or bullying within the context and relative positions of the alleged aggressor and target.

"Electronic communication" means a communication transmitted by means of an electronic device, including, but not limited to, a telephone, cellular phone, computer, or remotely activating paging device (N.J.A.C. 6A:16-1.3).

In accordance with the Board of Education's Code of Student Conduct and this Policy, all acts of harassment, intimidation, or bullying that occur off school grounds, such as "cyber-bullying" (e.g., the use of electronic means to harass, intimidate, or bully) is addressed in this Policy.

C. Student Behavior

The Board of Education expects students to conduct themselves in keeping with their levels of development, maturity, and demonstrated capabilities, with a proper regard for the rights and welfare of other students and school

staff, the educational purpose underlying all school activities and the care of school facilities and equipment, consistent with the Code of Student Conduct.

The Board believes that standards for student behavior must be set cooperatively through interaction among the parents and other community representatives, school administrators, school employees, school volunteers, and students of the school district, producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of students, staff, and community members.

Students are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and that it is the responsibility of staff to use instances of violations of the Code of Student Conduct as opportunities for helping students learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent student conduct problems and foster students' abilities to grow in self-discipline.

The Board expects students will act in accordance with the student behavioral expectations and standards regarding harassment, intimidation, or bullying, including:

1. Student responsibilities (e.g., requirements for students to conform to reasonable standards of socially accepted behavior; respect the person, property, and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Student rights; and
4. Sanctions and due process for violations of the Code of Student Conduct.

Pursuant to N.J.S.A. 18A:37-15(a) and N.J.A.C. 6A:16-7.1(a)1, the district has involved a broad-base of school and community members, including parents, school employees, volunteers, students, and community representatives, in the development of this Policy.

Pursuant to N.J.A.C. 6A:16-7.1, the Board developed guidelines for student conduct, taking into consideration the nature of the behavior; the nature of the student's disability, if any and to the extent relevant; the developmental ages of students; severity of the offenses and students' histories of inappropriate behaviors; and the mission and physical facilities of the individual school(s) in the district. This Policy requires all students in the district to adhere to the rules established by the school district and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules.

Pursuant to N.J.A.C. 6A:16-7.1, the Superintendent shall annually provide to students and their parents the rules of the district regarding student conduct. Provisions shall be made for informing parents whose primary language is other than English.

The district prohibits active or passive support for acts of harassment, intimidation, or bullying. The school district will support students who:

1. Walk away from acts of harassment, intimidation, or bullying when they see them;
2. Constructively attempt to stop acts of harassment, intimidation, or bullying;
3. Provide support to students who have been subjected to harassment, intimidation, or bullying; and
4. Report acts of harassment, intimidation, or bullying to the designated school staff member.

D. Consequences and Remedial Actions

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for students who commit one or more acts of harassment, intimidation, or bullying, consistent with the Code of Student Conduct, and the consequences and remedial responses for staff members who commit one or more acts of harassment, intimidation, or bullying.

In every incident found to be harassment, intimidation, or bullying, the school Principal, in consultation with appropriate school staff, may apply disciplinary consequences and/or remedial actions, such as the provision of counseling, behavioral interventions, or other measures.

Appropriate consequences and remedial actions are those that are graded according to the severity of the offenses; consider the developmental ages of the student offenders; the nature of the student's disability, if any and to the extent relevant; and students' histories of inappropriate behaviors, per the Code of Student Conduct and N.J.A.C. 6A:16-7.

The Principal, in consultation with appropriate school staff, shall develop an individual student intervention plan when a student is found to be an offender in three harassment, intimidation, or bullying incidents and each subsequent incident occurring within one school year. The student intervention plan may include disciplinary consequences and/or remedial actions and may require the student, accompanied by a parent, to satisfactorily complete a class or training program to reduce harassment, intimidation, or bullying behavior. Each student intervention plan must be approved by the Superintendent.

While the majority of incidents may be addressed solely by school officials, the Superintendent or designee and the Principal shall report a harassment, intimidation, or bullying incident to law enforcement officials if the conduct rises to the level of a mandatory report as outlined in the Uniform State Memorandum of Agreement Between Education and Law Enforcement Officials.

Remedial measures may include, but not be limited to: in or out-of-school counseling, professional development programs, and work environment modifications.

E. Reporting Harassment, Intimidation, or Bullying

The Board of Education requires the Principal at each school to be responsible for receiving all complaints alleging harassment, intimidation, or bullying committed by an adult or youth against a student. All Board members, school employees, and volunteers and contracted service providers who have contact with students, are required to verbally report alleged acts of harassment, intimidation, or bullying to the Principal or designee on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and contracted service providers who have contact with students, also shall submit a New Jersey Department of Education-approved HIB 338 Form to the Principal within two school days of the verbal report. Failure to make the required report(s) may result in disciplinary action. The HIB 338 Form shall be kept on file at the school, but shall not be included in any student record unless the incident results in disciplinary action or is otherwise required to be contained in a student's record under State or Federal Law.

The district may not fail to initiate an investigation of harassment, intimidation, or bullying solely because written documentation was not provided. Failing to conduct a harassment, intimidation, or bullying investigation solely because a parent or student did not submit written documentation violates the Anti-Bullying Bill of Rights Act and this Policy. If a parent makes a verbal allegation of harassment, intimidation, or bullying to a district staff member, but does not complete and submit the HIB 338 Form, the staff member or a designee must complete and submit the HIB 338 Form.

The Principal or designee is required to inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. Pursuant to N.J.A.C. 6A:16-7.7(a)2.viii.(2), when providing notification to the parents of all students involved, the Principal or designee shall take into account the circumstances of the incident when conveying the nature of the incident, including the actual or perceived category motivating the alleged offense. The Principal or designee shall keep a written record of the date, time, and manner of notification to the parents.

The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

Students, parents, and visitors are encouraged to report alleged acts of harassment, intimidation, or bullying to the Principal or designee on the same day when the individual witnessed or received reliable information regarding any such incident. The school district shall provide a person an online means to complete the HIB 338 Form to anonymously report an act of harassment, intimidation, or bullying. Formal action for violations of the Code of Student Conduct may not be taken solely on the basis of an anonymous report.

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

The Principal shall promptly submit a copy of each completed HIB 338 Form to the Superintendent.

The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. For anonymous reporting, in addition to making the HIB 338 Form available online, the district may consider locked boxes located in areas of a school where reports can be submitted without fear of being observed.

A school administrator who receives a report of harassment, intimidation, or bullying or who determines a reported incident or complaint, assuming all facts presented are true, is a report within the scope of N.J.S.A. 18A:37-14 and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action. The district also should consider procedures and disciplinary action when it is found that someone had information regarding a harassment, intimidation, or bullying incident, but did not make the required report(s).
