

Lakewood World Languages Competency Assessment Consent Form

Lakewood School District offers world language competency tests for students who can fluently speak, write, read, and listen in a language other than English. Students in grades 7 through 12 can earn high school credit in a world language by demonstrating their language proficiency on this assessment. Students can earn up to four credits overall.

If the language score is high enough, a student can also earn a Seal of Biliteracy added to the high school diploma. You may be interested in having your student take this assessment if they can read, write, speak and listen in another language other than English.

Lakewood is offering the assessment in these languages:

German	Hebrew	Hindi	Italian
Mandarin (Simplified and Traditional)	Marshallese (writing and speaking only)	Polish	Portuguese (Brazilian)
