2024 GM Message

It is a great feeling to see families spending a day at the Park. Whether it is taking a walk, swinging on a swing, playing catch, kicking a ball or just sitting on a bench and enjoying the weather, how could anyone have a bad day in a park?

Valley-Wide's programs serve thousands of children every year with thousands more using our facilities for programming through local organizations. But it is not just the kids, we have activities for all ages, with adult volleyball, pickleball, golf and of course, the OLDlympics, one of our most popular events for those who are young at heart.

Every year, Valley-Wide offers more than 70 unique events, from Ester Egg Hunts and movies in the park to a Polar Plunge and Breakfast with Santa. We want to make sure that the entire family gets to enjoy a day at the park.

Parks are vital to a community and healthy lifestyles. It is fair to say that along with education and healthcare, parks and recreation are among the most important pillars of a community. We get people engaged, and multiple generations of people have played here.

I am proud to be the General Manager of Valley-Wide Recreation and Park District and I am proud to live in our District. Come out and Play.

About

Valley-Wide Recreation and Park District

Valley-Wide Recreation & Park District is an independent special district created to provide park and recreation services for an area that now includes more than 275,000 residents. Our boundaries encompass an 800-square-mile area, which includes the cities of Hemet, Menifee and San Jacinto and the unincorporated communities of Aguanga, French Valley, Winchester Temecula and Valle Vista. In the early 1970s, a group of San Jacinto Valley residents teamed up to promote a Park District to offer recreational opportunities for youths, adults and seniors. The District was approved by voters and authorized on July 27, 1972. Since its creation, the District has grown from one park to 83 parks and facilities, many of which have received national and state recognition for their design, innovation and style, as well as youth and adult sports leagues and hundreds of educational and recreational classes and programs. Our parks attracts an estimated 4 million visitors per year.

Anyone who arrives at Echo Hills Golf Course immediately sees a sign that proclaims it as the “friendliest golf course in the San Jacinto Valley”. Ed Dover created the nine-hole, 26-acre course on the site of what was once a chicken ranch. He converted an old chicken shed into the clubhouse that’s still in use today. Echo Hills opened in 1959 and shut down in 2010 due to high water costs. Valley-Wide Recreation took over the course two years later and following a rehabilitation, it reopened in 2013. A 2,229-yard, par 35 course, Echo Hills is geared toward beginners and senior golfers looking for a round that isn’t overly challenging. Although the course is considered easy to walk, cart rentals are available. Tee times must be arranged over the phone. Classes are held at various times throughout the year in conjunction with “Grandfathers for Golf”, an organization that attracts youth to the game and teaches under privileged children and others how to play.
