**\*INDOOR SHOES:** Should fit snugly with non-slip soles and your child can put them on and take them off independently. Slip-ons, ballet shoes, sneakers with velcro straps, water shoes, or canvas shoes are great options. 'Crocs,' 'Robeez' soft leather slippers, and 'Toms' are examples. **Please avoid tie shoes or flip-flops.**

**OUTDOOR SHOES:** These will be the shoes that your child is sent to school in daily. Children will have to change between their indoor and outdoor shoes several times each day. Please make sure your child's outdoor shoes are easy for them to put on and take off independently. Sturdy, sneaker-like play shoes with Velcro fasteners or elastic laces work great. **Please, avoid tie shoes or flip-flops.**
