

Computer Science Engineering Technology

Concurrent Enrollment Available (Red Rocks Community College Credit)

Intro to AutoCAD Certificate Available

CSWA (Certified SolidWorks Associate) Certificate Available

(9, 10, 11 & 12)

Robotics & Automated Systems
21009G05012 & 21009G05022

Yearlong course for all students.

(10, 11 & 12)

AP Computer Science Principles
10019G05012 & 10019G05022

Yearlong course for all students. Strong Algebra or Geometry background suggested (10th or above)

(11 & 12)

AP Computer Science A
10157H05012 & 10157H05022

Yearlong course. Completion of Algebra 2 or higher. Completion of AP CS Principles suggested.

Engineering 3: Computer Integrated Manufacturing
210100G05012 / 22

May be taken multiple times after 1 year of Technical Drawing/Design

CAPSTONE: STEM

See Counselor
Instructor Permission
12th Grade

Computer Science Foundations
10012G05012 & 10012G5022

Hybrid Course
Yearlong course
see Counselor or Mr. Halingsstad

Color Purpose:

Suggested Prerequisites for Success in Course
