Copay Armor Drug List (Effective 1/1/2023)

Protection from high-cost medications

Copay Armor, powered by PillarRx Consulting, helps to leverage manufacturer assistance dollars to lower your prescription out-of-pocket costs.

Copay Armor is driven off a unique drug list of high cost mostly specialty medications that utilize manufacturer assistance dollars. The list of medications will apply a 30% cost share across the drug list. The 30% was chosen to maximize the amount of assistance that is provided by the manufacturer.

This list is subject to change and is not an inclusive list. To confirm coverage, please call the Member Service number on the back of your member ID card.
