

100% POST SECONDARY READY

PULASKI COUNTY HIGH SCHOOL

Building a tradition of excellence one student at a time.

July 26, 2024

Dear PCHS Parents/Guardians and Students,

We hope you are having a great summer and that your excitement is building for the rapidly approaching school year! Our wonderful staff here at PCHS is making preparations for a successful year and looking forward to welcoming each student back on August 15th. In advance of the first day of school, we want to provide some information for you here.

Communication between our school and families is vital to each student's success. One helpful communication tool that we frequently utilize is our Grade Level Google Classrooms. There are important announcements and news for each grade level in each classroom, so make sure you are checking this regularly. In addition, the schoolwide expectations and the student handbook (which includes the behavior code) are posted in the classroom. Please review these before the first day of school to ensure a smooth start to the school year.

You can access all information from our Guidance Office by visiting our school's Facebook page as well as the PCHS Counselors' Corner, which is made available through the school's website [www.maroons.net/counselors]. Both the FB page and website will include regular news and announcements for PCHS families. We encourage you to follow PCHS on FB. If you ever need assistance with any of these tools please contact the school.

Messages home are frequently sent using the SendIt program. You will receive these messages as voice calls, emails, and text messages. It is important to make sure that your contact numbers and email address in Infinite Campus are correct so that you receive these.

You can access the Infinite Campus Parent Portal at any time to view student grades, attendance, and behavior. Student schedules will be available to view beginning on August 2nd. Progress reports will be sent home with students every 9 weeks and report cards at the end of each semester. We encourage you to maintain frequent contact with your child's teachers throughout the school year about any questions that may arise.

In order to access Infinite Campus Parent Portal, all parents and guardians are required to update their registration each year. To complete the annual update, please log in to your Parent Portal, choose "More" and then "Online Registration." Please remember to complete the Meal Benefits as well. For problems logging in to the Parent Portal, please contact the school's Guidance Office.

100% POST SECONDARY READY

PULASKI COUNTY HIGH SCHOOL

Building a tradition of excellence one student at a time.

We are so excited to see you on the first day of school! School begins promptly at 8:15 and ends at 3:10. Please be early, especially the first few days until everyone learns the traffic patterns around the campus. Morning parent drop-off is in the upper parking lot, accessible from University Drive, beginning at 7:45 am. Afternoon parent pick-up is in the lower parking lot, accessible from Hwy 39.

It's going to be a great school year!
