CELL PHONES & TEXT MESSAGING

BVT students are allowed to bring their cell phones to school **but** we require that the phone be **shut off and put away** during school hours unless authorized for classroom instruction purposes by individual instructors.

Cell phones should not interfere with classroom or shop instruction—either by ringing or by checking voice mail or by texting. **Please help us by not calling or texting your BVT student during the school day.** If you need to reach your student, please contact us at 508-529-7758 and we will relay the message.

There are consequences for violating the BVT cell phone and electronics policy. See Handbook.
