Dedication Day

A wonderful event

On September 5, 2003 the new CCHS facility was dedicated. The weather cooperated with glorious skies and no humidity. The outdoor flag raising and indoor program was wonderful. It was thrilling to see the finality of a long successful cooperative effort by the School Board, City of Carbondale, Carbondale Park District, citizens of the taxing districts, faculty, staff and students of CCHS.

A Terrier win on the newly dedicated Frank Bleyer Football field topped off the festivities of the day. It was a remarkable time and any true black and white Terrier fan would have been proud of the heritage of the past and the present coming together at the new location. See the picture page elsewhere in our newsletter.

Past Reunion Highlights

The **Class of 1953** had a wonderful time during their reunion, planned around the dedication of the new facility. They attended the football game sitting in a block of seats and were recognized during the game. They had a full weekend of activities and are now dedicating a bench at the new facility honoring the CCHS Class of 1953. See their pictures on the website to see if you recognize anyone.

The **Class of 1993** had a reunion on September 12 and 13. It is apparent from the pictures they posted on CCHSTerriers.com that they had a great time. The Class of 1983 had a reunion in July.

The **Classes of 1956 and 1957** got together on September 19 and 20. They had a great time and will repeat soon. The class of 1956 recently re-dedicated their graduation gift, a podium. This podium was discovered, during the move to be in poor shape. Don Brewer called upon his classmates who came up with funding to re-furbish the podium and present it to the new location in memory of their classmate, Max Waldron. Recently they also found a classmate who had been listed as deceased for their last few gatherings.

The **Class of 1945** had a gathering and tour of the new facility in September.

If you missed any of the listed activities, please send us your contact information so that we may update our records and try to keep everyone posted about the activities available to our Alumni.
