

Final Meeting of Strategic Plan Team

Essential Question:

What final changes need to be made in the plan to reflect patterns of stakeholder feedback? What will make the plan better? What will make the plan clearer? What changes should be made that are supported by data and evidence?

Outcomes: The Final Meeting of the Strategic Plan Team is an opportunity to make any refinements to the draft of the plan before it is given to the superintendent who will recommend plan approval to the board of education.

- Examine staff feedback.
- Examine parent feedback.
- Examine community feedback.
- Examine board feedback.
- Examine management team feedback.
- Examine union feedback.
- Examine parent organization feedback.
- Examine student feedback.
- Make final refinements, additions or deletions to the plan draft.
- Ready the plan for the superintendent to present to the Board of Education for approval.

Time Allocation:

3 hours (usually from 9:00 am-12:00 or 1:00-4:00 p.m. during the work day). Usually 2-3 weeks following the Setting Direction Retreat Meeting.

Product:

The Final Meeting of the Strategic Plan team allows the Team to reflect on stakeholder feedback to make additions, deletions or refinements in the plan draft. This meeting answers the question, “***What if any changes need to be made in the strategic plan draft to improve the recommendation?***”

The Strategic Plan is then taken by the superintendent to the Board of Education for approval. The strategic plan team is invited to attend the board meeting.

District Responsibilities:

The district assists CEC in collecting and organizing the feedback from stakeholders for the plan team review of the draft of the new Strategic Plan.
