

# Greater Lowell Technical High School plans Virtual Open House

January 4, 2021

TYNGSBORO — Greater Lowell Technical High School will host a Virtual Open House Tuesday, Jan. 5, through Thursday, Jan. 7, for eighth-grade students interested in attending for the 2021-2022 school year.

All virtual sessions will start at 6 p.m., and links are posted at [www.gltech.org](http://www.gltech.org).

The open house is for prospective students and their families to learn more about the school and its programs.

“Each year, we look forward to meeting with prospective students and their families to show them what Greater Lowell Tech has to offer,” Superintendent Jill Davis said. “We hope you will take part if you are interested and look forward to seeing you all online.”

Each day will have two sessions focused on a specific group of courses and programs offered by Greater Lowell Tech.

On Tuesday, 6 to 7 p.m., there will be a presentation on Transportation and Manufacturing, which includes Advanced Manufacturing Technology, Automotive Collision and Repair, Automotive Technology, Computer Aided Drafting and Design, Electronics Technology, Engineering Technology, and Metal Fabrication and Joining.

On Tuesday, from 7 to 8 p.m., the presentation is on Technology and Allied Health, which includes Design and Visual Communications, Graphic Communications, Health Assisting/Pre-Nursing, Medical Laboratory Assisting, and Programming and Web Development.

On Wednesday, from 6 to 7 p.m., the presentation is on Construction, which includes Carpentry, Electrical, HVAC-R, Masonry, Painting and Design, and Plumbing.

On Wednesday, from 7 to 8 p.m., there will be a presentation on Personal Services, which includes Cosmetology, Culinary Arts, Early Childhood Education, Hospitality Management and Marketing.

On Thursday, from 6 to 7 p.m., the presentation will be on academics and support services.

And on Thursday, from 7 to 8 p.m., there will be a presentation on sports and student activities.

Those who wish to apply can do so at [www.gltech.org/admissions](http://www.gltech.org/admissions). Applications are due by Feb. 1. Those with any questions or would like to learn more about the school may contact the Admissions Office at 978-441-4951 or by email at [admissions@gltech.org](mailto:admissions@gltech.org).
