

# 2 weeks of Homecoming ends Nov. 14 at Greater Lowell Tech

2 weeks of Homecoming ends Nov. 14 at Greater Lowell Tech

November 8, 2020 at 5:52 a.m.

TYNGSBORO — Greater Lowell Technical High School is hosting a two-week, virtual homecoming celebration this year.

The 2020 Homecoming Celebration began last Monday and runs through Saturday, Nov. 14.

“Though this year’s celebration will look different from those of previous years, we are thrilled to celebrate with students over the course of the next two weeks,” Superintendent Jill Davis said. “Student Activities Coordinator Sharon Cornellier did an incredible job coming up with engaging, interactive activities for our students to safely participate from their homes, and I am very excited to see all the photos that show our school spirit continues to be ‘Gryphon Strong.’”

## **Spirit Days**

After enjoying theme days this past week, dressing as their favorite super-villain, childhood character and in the favorite team’s jersey, this week will feature Mask it up Monday, when students can decorate one of their face masks or coverings to show off their personality; Tie Dye Tuesday; and Gryphon Country Thursday. Wednesday is Veterans Day, and students are asked to reflect and recognize veterans for their service.

Students and classes will be able to take pictures of themselves each day and submit them to [homecoming@gltech.org](mailto:homecoming@gltech.org) for the chance to win a Gryphon Grand Prize. Photos must be submitted by Thursday midnight.

### **Flat Gryphon Competition**

Students will be able to take part in the Flat Gryphon Competition, in which they will be able to print out a picture of the school's mascot and take photos out in the world or photoshop him into different scenes. Students can submit their photos to [homecoming@gltech.org](mailto:homecoming@gltech.org) by Thursday midnight for the chance to win a prize.

### **Homecoming elections**

Two seniors who demonstrate school spirit and represent GLTHS's core values will be named the Homecoming Royalty. All students are able to nominate a senior to appear on the ballot for Homecoming Royalty. Seniors who are nominated will then be sent nominee acceptance forms, which are due by midnight tonight.

Voting, which will be for seniors only, will begin Monday at 2 p.m., and will close Thursday midnight. The winners will be announced at the Homecoming Week online celebration Saturday.

### **Homecoming photos**

Seniors can have their yearbook photo taken Friday by O'Connor Studios. For more information and to schedule an appointment, email Cornellier at [scornellier@gltech.org](mailto:scornellier@gltech.org).

Graduates from the Class of 2020 can pick up their yearbooks Saturday, from noon to 2 p.m. The drive-through pick up will be held in the visitors lot/main entrance, and yearbooks are free for all 2020 graduates.

Yearbooks from previous years will be available for purchase Saturday as well. Each book is \$10 (cash and exact change only), and all proceeds will go toward the senior class. Yearbooks from 1977 and on are available, but quantities are limited. Alumni who graduated from 2015 to 2018 can pick up yearbooks for free.

### **Homecoming finale**

Homecoming will culminate in an online celebration Saturday, starting at 7:30 p.m. The event will showcase sports highlights and photos submitted over the course of the two weeks, and the winners of the Homecoming Royalty Election, School Spirit Days Photo Contest and Flat Gryphon Photo Contest will be announced.

More information about the weeks' activities can be found at [glths.org](http://glths.org).
