

## 2024 Summer Assignment for **Class of 2028**

This is your 2024 summer math assignment that is due at the start of the new school year. This assignment is targeted to help you with a pre-assessment that you will take during the second week of school. Contact Karen Jackson at [kjackson@gltech.org](mailto:kjackson@gltech.org) or Dan Packard [dpackard@gltech.org](mailto:dpackard@gltech.org) if you are struggling with the assignment or if you have difficulty logging in. The Delta Math application also has helpful video links as well.

To access it, you will (a) register for an account on Delta Math using your new ID number, (b) log into your account, and (c) complete the 12 assignments listed.

### **The steps are as follows:**

There is a youtube video to guide you through the process should you need help. [https://www.youtube.com/watch?v=\\_V95mTRNBEI](https://www.youtube.com/watch?v=_V95mTRNBEI)

1) Register for an account:

a) Click on the registration link & create an account:

<https://www.deltamath.com/students?code=7X9E-6375>

i) Your Username is: 6-digit ID #@gltech.org (for example, if your new GLTECH ID # is 100200, then your username is 100200@gltech.org

ii) Recommended password: student@123

2) Log into your new Delta Math account:

a) Click on the login page link <https://www.deltamath.com/>

3) Complete the assignments listed. It is a good idea to show your work on paper and bring it in on the first day of school.
