Filtering Canvas Gradebook- Grading Periods

4. You can now sort Canvas Assignments by Grading Period.

The screenshot shows the Canvas Gradebook interface. At the top, there are navigation tabs: 'Gradebook', 'View', and 'Actions'. Below these, there are filters for 'All Assignment Groups' (set to 'M2'), 'All Sections', and a search bar. The main table displays student names and their scores across various grading periods. A yellow arrow points to the 'All Assignment Groups' dropdown menu, which is open and shows a list of grading periods: 'All Grading Periods', 'M1', 'M2', 'M3', and 'M4'. The 'M2' option is currently selected and highlighted in grey.
