March 27, 2023

Dear Parents/Guardians,

I want to announce that Elizabeth Forward High School students will return to in-person learning on Tuesday, April 11, 2023!

Third-party air quality testing continues daily at the high school, and the ongoing reports indicate that the results are below or within normal guidelines. All systems are currently online and operating normally; this includes electric, heating, network, telephone, and fire alarms. The Allegheny County Health Department has inspected the building, including the kitchen, and we received approval today.

This week, the faculty and staff will prepare their classrooms for in-person learning. On the days the teachers prepare their classroom, students will work on make-up assignments. The teacher will communicate student expectations on their Canvas page. To complete building and classroom preparations, **classes for high school students will be canceled on April 3rd and 4th.**

The district also wants to provide opportunities for parents and guardians to visit the building and review all relevant reports on the district website. The building will be open to parents/guardians for walk-throughs on Tuesday, April 4th from 6:00pm – 7:30pm and Wednesday, April 5th from 4:00pm – 5:30pm.

These changes will not impact the Spring Break scheduled from April 5th through April 10th. Due to lost days of instruction, a make-up day for the high school ONLY will be scheduled for May 16, 2023, which was originally planned as an in-service day. This will allow the high school students to meet the 180-day requirement set forth by the State of Pennsylvania.

We are excited to welcome our students back to the building on April 11th. We appreciate your patience during this difficult time and thank everyone for their efforts and hard work. We will continue to provide regular updates as we approach in-person learning.

Sincerely,

Mr. Keith Konyk
