February 17, 2023

Dear Parents/Guardians,

Just a reminder, due to President's Day, there is **no school** for all students on Monday, February 20, 2023. All middle and elementary school students will have a two-hour delay on Tuesday, February 21, 2023. High school students **will not** follow the two-hour delay schedule and will continue to follow the regular remote learning schedule.

High School students will continue to learn remotely until further notice. If your child has any technology issues, please have them email the technology department at [support@efsd.net](mailto:support@efsd.net).

The administration has been working closely with the remediation and demolition project managers. We hope to have an update next week on the next steps in the project. The school grounds will remain closed to ensure the safety of all. Each action taken to date has been towards progress.

We ask that you continue encouraging your child to participate in Zoom classes. The building principals are coordinating activities with the club sponsors to ensure students stay connected to their friends. If you have any concerns about your child and need help, please contact the Guidance Department at 412.896.2352.

This certainly has been a tough week for the community, but we remain hopeful that this tragic event will continue to unite us. We are so proud of our administration, faculty, and staff for stepping up during a difficult time and working together to support our students.

Sincerely,

*Keith Konyk*
