

# ELIZABETH FORWARD SCHOOL DISTRICT

---

May 12, 2023

Dear Parents/Guardians,

We are excited to share that we will refresh our iPads this summer. We will collect all current iPads and new iPads will be distributed in the fall. **All students must turn in their iPad, case, charger block, and charger cable during their assigned date listed below.** If any of these items are missing, a fee will be charged to your child's school account.

iPad Collection Dates	
<b>High School (seniors only)</b>	Monday, May 22nd
<b>Middle School</b>	Tuesday, May 23rd
<b>William Penn Elementary</b>	Wednesday, May 24th
<b>Mt. Vernon &amp; Greenock Elementary</b>	Thursday, May 25th
<b>Central Elementary</b>	Friday, May 26th
<b>High School (Grades 9-11)</b>	Tuesday, May 30th & Wednesday, May 31st

Before collection, if your iPad is damaged, please complete the [damage report form](#). We also encourage students to open the Google Photos app and back up pictures. We have linked iPad preparation instructions [here](#). All iPads will be erased after collection.

It is important to note that once the iPads are collected, students will not have access to them over the summer break. Instead, students will be issued a new iPad on their first day of school in the fall. We appreciate your assistance with this iPad collection process.

Sincerely,

*Mr. Matt Toth*
