

SALEM SCHOOL DISTRICT  
Salem, Connecticut

COMMUNITY RELATIONS

COMMUNITY ORGANIZATIONS

The Salem Board of Education encourages the creation of parent organizations such as the PTO as appropriate means of achieving effective and maximum parental involvement with the school district.

The Board encourages the Superintendent of Schools, other administrators, teachers, and other staff members to work closely with the officers and directors of parent organizations.

Among the many services which such associations can offer, the Board especially endorses support for parent/citizen volunteer programs in our school district.
