OTHERWISE LAWFUL POSSESSION OF FIREARMS ON SCHOOL PROPERTY

Notwithstanding the otherwise lawful possession of firearms defined in Section 53a-3 ("any sawed-off shotgun, machine gun, rifle, shotgun, pistol, revolver or other weapon, whether loaded or unloaded from which a shot may be discharged") in or on the real property comprising school district property by persons who hold a valid state or local permit to carry a firearm and would otherwise legally traverse school property with an unloaded firearm for the purpose of gaining access to public or private lands open to hunting or for other lawful purposes, such entry onto school property by these persons for these purposes is prohibited by the Salem Board of Education.

The issuance of a permit to carry a pistol, revolver or other firearm does not authorize the possession or carrying of a pistol, revolver or other firearm on school district property. The Salem Board of Education prohibits such possession on school district property, except as allowed in subsection (b) of section 53a-217b.

The Board of Education may employ or enter into an agreement for public school security services with a firearm, as defined in state law, only with a sworn member of a local police department or a retired state or local police officer, as stipulated in PA 13-188.

Students are prohibited by the Salem Board of Education from possessing firearms for any reason, whether otherwise lawful or not, in or on the real property comprising the public or private elementary or secondary school or at a school sponsored activity as defined in subsection (h) of section 10-233a.
