CONTINUING EDUCATION UNITS (CEUs)

The Board of Education believes in the importance of teachers holding a professional certificate participating in continuing educational units (CEUs) as part of their professional and educational development on a regular basis. State law requires the successful completion of 9 CEUs every five years in order for a holder to maintain a professional educator certificate. In order to achieve this goal, the Board will make available annually at no cost to its certified employees, not fewer than eighteen contact hours of professional development activities for CEU's. Only CEUs awarded by providers approved by the State Department of Education may be used to fulfill the CEU requirements.
