EMPLOYEE SAFETY

Employee Identification Badge System

To help ensure the protection of staff and students and reduce the possibilities of theft, vandalism and loss of District property, all District employees shall be issued and wear identification badges when on District property.

The District's photo identification badge system will serve as an instant identification system for security purposes and will assist parents and other visitors to school locations in identifying school employees. Employees will display the identification badge at all times in the performance of their duties on District property.

A badge system, with appropriate designation but without photograph, will be used for visitors to the school during regular school hours and for substitutes and/or regular employees.
