2. The Superintendent recommends that the Matawan-Aberdeen Regional School District Board of Education re-approve two staff members to receive retraining in the Handle with Care Behavior Management System for the 2022-2023 school year. The two staff members will be certified to train additional staff members in the district. After staff members receive training they will be certified to implement the Handle with Care Behavior Management System.

Cost: NTE: **\$950.00** Account #: **11-000-219-580-09-0000-0**

The Handle with Care training program is a federally approved vendor and is in full compliance with: Children’s Healthcare Act of 2000; Health and Human Services Departmental Appeals Board rulings; Centers for Medicare and Medicaid Services regulations; Federal case law; Americans With Disabilities Act; No Child Left Behind Act; Section 504 of the Rehabilitation Act of 1973; Individuals with Disabilities Education Improvement Act, and including various other federal and state laws.

PCAST will provide formal training, technical assistance and customized on-site professional learning opportunities for educators, students and families, onsite demonstrations of person-centered planning methods and techniques, design and facilitate district-specific project planning events with teams, support development of site-specific person-centered tools, resources and protocols, train, observe and provide feedback for education certification as PCAST Facilitators, provide electronic resources on person-centered practices, facilitate discussions and provide information on accessing needed services, supports and resources, support deign of person-centered and student-led IEP meeting and processes, provide support on meeting facilitation, conflict management, and problem solving skills, and support development of person-centered, classroom-based lessons and activities.
