## X. CURRICULUM AND INSTRUCTION

Dr. Bombardier reviewed the Curriculum and Instruction Agenda requesting the Board take action on Item A. The remainder of the items will be presented for action at the June 21, 2022 Regular Action Meeting.

### B. OTHER

1. The Superintendent recommends that the Matawan-Aberdeen Regional School District Board of Education approve the District’s participation in the *Monmouth County Arts & Education Program* for the 2022-2023 school year for any middle or high school student that is selected. Classes for Arts High (9-12) run once per week for 14 weeks and Arts High (6-8) runs for 12 weeks beginning the end of January, 2023.

**Rationale:** Arts High is a special release-time program for gifted and talented students, particularly in the area of the arts in grades 6-12. Students interested in joining the program must audition to participate. Arts High is administered by the Arts & Education Center which has been operating in Monmouth County since 2004.

**Cost:** There is no cost to the District. If a student is selected, all fees, including transportation, will be funded by the parent/guardian. Transportation will be provided by the Monmouth County Arts & Recreation Program.

2. The Superintendent recommends that the Matawan-Aberdeen Regional School District Board of Education approve the submission of the Bilingual Education Program Waiver to the New Jersey Department of Education of Bilingual/ESL Education for the 2022-2023 school year.

**Rationale:** A school district may request a waiver from N.J.A.C. 6A:15-1.4(d), which requires full-time bilingual education for districts that enroll 20 or more students that are in any one language classification. To receive a waiver, districts must establish annually an instructional alternative program type with the approval of the Department when there are 20 or more students eligible for the bilingual education program in grades kindergarten through 12. The school district must demonstrate that it would be impractical to provide a full-time bilingual program due to the age range, grade span, and/or geographic location of eligible students. Districts implementing alternative program type(s) must also submit, on an annual basis, student enrollment and achievement data that demonstrate the continued need for the programs.

**XI. STUDENT SERVICES**

Ms. Perez reviewed the Student Services Agenda requesting the Board take action on Item 1. The remainder of the items will be presented for action at the June 21, 2022 Regular Action Meeting.

2. The Superintendent recommends that the Matawan-Aberdeen Regional School District Board of Education approve the agreement with the following providers for the 2022-2023 school year on an as needed basis.

3. The Superintendent recommends that the Matawan-Aberdeen Regional School District Board of Education re-approve two staff members to receive retraining in the Handle with Care Behavior Management System for the 2022-2023 school year. The two staff members will be certified to train additional staff members in the district. After staff members receive training they will be certified to implement the Handle with Care Behavior Management System.

**Cost:** NTE: **\$950.00** Account #: **11-000-219-580-09-0000-0**

**Rationale:** The district requires staff to receive appropriate training to intervene effectively when students are in crisis. The district previously used the Crisis Prevention Institute Behavior Management System. Handle with Care is a similar system which focuses on verbal de-escalation of crisis situations. Handle with Care also provides staff training with situations that may require physical restraint to ensure the safety of students and staff. By having 4 staff members trained to be trainers, the district can train additional staff members more efficiently. The Handle with Care training program is a federally approved vendor and is in full compliance with: Children’s Healthcare Act of 2000; Health and Human Services Departmental Appeals Board rulings; Centers for Medicare and Medicaid Services regulations; Federal case law; Americans With Disabilities Act; No Child Left Behind Act; Section 504 of the Rehabilitation Act of 1973; Individuals with Disabilities Education Improvement Act, and including various other federal and state laws.

4. The Superintendent recommends that the Matawan-Aberdeen Regional School District Board of Education Reapprove the participation in the Person-Centered Approaches in Schools and Transition (PCAST) Cohort for the 2022-2023 School Year.

**Rationale:** PCAST will consult with the district to identify a PCAST Project Coordinator and a PCAST Implementation Team. PCAST will facilitate organizational self-assessment and support the district in project plan development. PCAST will provide formal training, technical assistance and customized on-site professional learning opportunities for educators, students and families, onsite demonstrations of person-centered planning methods and techniques, design and facilitate district-specific project planning events with teams, support development of site-specific person-centered tools, resources and protocols, train, observe and provide feedback for education certification as PCAST Facilitators, provide electronic resources on person-centered practices, facilitate discussions and provide information on accessing needed services, supports and resources, support design of person-centered and student-led IEP meeting and processes, provide support on meeting facilitation, conflict management, and problem solving skills, and support development of person-centered, classroom-based lessons and activities.

**Cost:** Grant Award

5. The Superintendent recommends that the Matawan-Aberdeen Regional School District Board of Education approve the agreement with EAB District Leadership Forum for the 2022-2023 School Year.

**Rationale:** The District Leadership Forum provides district leaders and their staff innovative solutions to our biggest strategic management challenges. This includes providing support and resources to educate key stakeholders across the district to accelerate consensus in supporting implementation of goals the district aims to achieve specifically diversity, equity, inclusion and justice. Services are inclusive of but not limited to-unlimited access to on demand research, dedicated advisor, annual webinar series, personalized webinars, district onsite support, District Leadership and more. With the collaboration with EAB the district will focus on diversity, equity, inclusion and justice which align and support implementation of new regulations, curriculum standards, district goals and strategic planning.

**Cost:** NTE: \$22,950.00 Account # 20-270-200-300-04-0000-0

6. The Superintendent recommends that the Matawan-Aberdeen Regional School District Board of Educations approve the use of Accellus as a third-party provider of instruction for students in the Matawan-Aberdeen Regional School District for the 2022-2023 school year.

**Rationale:** Accellus offers and expansive selection of standard-based courses K-12. It uses video-based lessons with cutting-edge technology to accelerate learning, elevated standardized test scores, reduce dropout rate and transition more students into careers and college. This will cover 60 students as well as training for 4 teachers.

**Cost:** \$15,590.00 Account # 20-235-200-500-04-0000-0  
 Account # 11-150-100-320-09-0000-0  
 Account # 11-219-100-320-09-0000-0

7. The Superintendent recommends that the Matawan-Aberdeen Regional School District Board of Education approve Lisa McPherson, to provide student supervision for student 157751 on an as needed basis for the 2022-2023 school year.

Account # 11-190-100-106-11-0000-1
