STUDENT DISMISSAL PRECAUTIONS

No student may be released from school to anyone other than the parent, guardian or child protective services personnel, and law enforcement officers pursuant to law, unless the name of the individual seeking release of the student appears on a list provided by the parent or guardian.

A student may be released to either parent unless a custodial parent supplies the Building Principal with a certified copy of a court order or divorce decree to the contrary.

No student shall be released from school to anyone other than the parent/guardian, or child protective services and law enforcement officers pursuant to law, and to any other persons specifically authorized in writing by the child's parent/guardian to pick up said student. Parents/guardians may submit a list of individuals authorized to obtain the release of their children from school, which may be amended as deemed necessary at any time, in writing. If anyone seeks the release from school of a student, he/she must report to the school office and present satisfactory identification to school personnel.
