Please read the following Parent/Student/School Compact and sign the acknowledgement page at the end of this handbook.

2024-2025 PARENT-STUDENT-SCHOOL COMMITMENTS

Our students' parents, families, extended families, students themselves, as well as our local community are all considered partners who share responsibilities for high student academic achievement. Following are the responsibilities for the school, the parents and the students.

School Responsibilities:

North Washington will:

1. Provide high-quality curriculum and instruction in an effective, supportive, and safe learning environment that enables the students to meet Kentucky's academic standards.
2. Provide information on the content standards students will learn each year.
3. Assign homework in accordance to our Homework Policy
4. Provide parents with frequent reports on their child's progress. Specifically, we will provide formal reports every 4 ½ weeks.
5. Hold Parent-Teacher conferences during the year where this compact will be discussed as it is related to the individual student's achievement. Opportunities (where appropriate) will be provided for the student to participate actively in sharing information on his or her progress with his or her parents during the conference.
6. Provide parents reasonable access to staff. The email addresses and telephone extensions of their child's teachers will be provided to parents to promote communication. Staff will always be available to parents by appointment for face-to-face conferences.
7. Monthly school-wide newsletters will be provided for parents, as well as weekly grade-level newsletters.
8. Support an active PTO.
9. Provide parents the opportunities including but not limited to:
 - Observing their child's classroom activities when appropriate and/or scheduled.
 - Tutoring
 - Assisting with classroom activities that require more than one adult.

10. Ensure that all adult volunteers working in our school and with our students are subject to board policy and state law regarding criminal record checks, as applicable.

The Family Resource/Youth Service Center will share responsibility for student achievement by:

- Surveying families at least once/year to learn what services and activities would most help them support their children as learners.
- Offering a well-planned, well-publicized menu of activities and programs to meet those needs.

Parent Responsibilities:

Parents are asked to:

1. Monitor and encourage attendance and arrival to school on time.
2. Become familiar with and support the school and individual classrooms' homework policies and show interest with questions about and comments on the schoolwork their child brings home.
3. Make sure homework is completed.
4. Assist their child with time management.
5. Participate, as appropriate, in decisions relating to their child's education.
6. Stay in close communication with teachers and the school about their child's education by promptly reading all notices and surveys from the school or the school district and responding as necessary.
7. To the extent possible, volunteer, serve on the school council or a committee, attend SBDM meetings, and comment on draft policies and plans as they are made available.

Student Responsibilities:

With support from parents, students are asked to:

1. Attend school as regularly as possible.
2. Follow school and classroom behavior expectations.
3. Bring necessary materials to school and to class.

ARRIVAL/DISMISSAL PROCEDURES

Classes will begin at 8:05 am. **Students should NOT arrive on campus before 7:30 am, as teachers will not be on duty to supervise.** If your child is participating in the breakfast program, he/she should arrive at school no later than 7:45. This will allow him/her to eat prior to the beginning of instruction. **Breakfast serving lines close at 7:50 and all breakfast areas are closed to students starting at 8:00. For health, security, and instructional reasons, parents are not permitted to walk their child to the classroom.** If you need to speak to your child's teacher, please make an appointment or contact your child's teacher during their planning period. **Any student arriving at school after 8:05 AM is tardy and should report to the office with his/her parent to sign in before going to the classroom.**

Dismissal for car riders will begin at 3:10 PM. **Parents are to pick up their student(s) through the car rider line unless they are signing out early.** Students will be escorted out of the building in an organized manner and supervised by staff members to ensure their safety. If you will be picking your child up it will be necessary to send a note to the teacher so that the student can be dismissed at 3:10. If your child is a car rider on a regular basis then a note at the beginning of the year will be sufficient. **Any changes in student's dismissal routines should be communicated with school office staff no later than 1:00 pm.** Please do not text or email changes to teachers as they do not check these throughout the day while with students. All transportation changes should be completed with a note sent via the student that morning or by calling the front office at (859) 375-4038.

Students should not be picked up early from school except for unavoidable reasons. Students **MUST** be signed out at the office. A written request for early dismissal should be sent on the morning of the dismissal, with time and reason for early dismissal should be included. When possible, appointments should be scheduled after school hours.

Students may only be dropped off or picked up by car at the curb in front of the school building. To eliminate any traffic congestion, we ask that you drop students off along the curb so that cars coming into the school and those already parked in the parking lot will not be blocked in. If you plan on walking your child into the office, then please park in the lot designated for parent parking. A car parked for extended time at the curb disrupts the flow of traffic and creates an unsafe situation for children. Please also try to stay off the grassy areas of the lots.

Students will be released only to a parent or guardian unless the school has been notified in writing that someone else has permission to pick up the child. For security reasons, children may not be picked up from the classroom. Parents must request students from the office only.

To increase the safety of everyone during pick-up and/or drop-off, please remember the following:

- Refrain from talking or texting on your cell phone while traveling through the pickup line or parking lot.
- Put your car in "park" when you stop to avoid rolling vehicles.
- Do not motion your child to your car; a school employee will bring them to you.
- Please reinforce with your child the importance of waiting for a school employee to escort them.
- Do not get out of your vehicle during pick-up; a school employee will open and close the door for your child.
- Teach your child how to buckle his/her own seatbelt. If unable to do so, please feel free to pull into a parking space after receiving your child so that you can buckle them before leaving the school grounds.
- Washington County Schools are smoke-free campuses. This includes parking lots and car lines.

Thank you for your cooperation in making the car rider drop off and pick up as safe as possible!

COMMUNICATION

Two-way communication is very important to us. We will work to communicate with you in many different ways, based on the need and purpose of the information.

It is very important for the school office personnel and teachers to have accurate phone numbers on file for your child. If you experience changes in your contact information throughout the school year, please notify the office staff immediately and we will update your child's records.

A “one-call” phone messaging system will be used to communicate school reminders, upcoming events, etc. with parents. The “primary contact” phone number listed is the one entered into OneCallNow to receive messages. If you wish to have additional phone numbers added to the system, please contact the school office.

Parents are encouraged to join the Washington County Schools and the North Washington Elementary Facebook pages. Student recognitions, event information, and reminders will be posted often.

Each classroom teacher will have an app they will utilize to share information and updates/reminders specific to their class. Parents are encouraged to join and communicate with their child's teachers through the app, their school email, or by calling the school.

BREAKFAST, LUNCH AND SNACK INFORMATION

For the 2024-2025 school year, all students have the opportunity for free lunch and breakfast. If you wish for your child to be able to purchase “extras”, please send money or deposit money into their school lunch account for use.

Students are also allowed to bring their lunch and/or snacks from home. According to the North Washington SBDM Wellness Policy, please note:

- Students are permitted (and encouraged) to bring water to be consumed during the school day.
- Students will not be permitted to bring soda or energy drinks to be consumed anytime during the regular school hours, including meal and snack times.
- Juice drinks (Capri Suns, Squeeze-Its, Gatorade, etc.) will be permitted during lunch and snack time. What is not consumed during lunch will be thrown away, if opened.

MEDICATIONS

No medication will be dispensed at school unless the following criteria are met.

1. Medication is in its original labeled container.
2. Authorization forms must be completed and returned to the nurse or office before medication can be administered at school. For prescription medications, the (prescribing) physician must also complete an authorization form. Authorization forms are available at each school from the nurse and/or front office.

****This includes both prescription and non-prescription medications. Non-prescription or over-the-counter medications include but are not limited to: acetaminophen, ibuprofen, cough drops, topical creams, and sunscreen.**

Medication must be brought to school by an adult, not the student. If a medication will be needed for both home and school use the parent should request that the pharmacist dispense the medication in two separate properly labeled containers. Medication not picked up by a parent, within 2 weeks of its discontinuation of use or the end of the school year, will be disposed of by the school nurse or designee.

SPECIAL OCCASIONS

Here are a few reminders regarding special occasions:

If you choose to send flowers, balloons, stuffed animals, etc. to school for birthday, Valentine's Day, or other event, the item(s) will be held in the office until the end of the day. **Please remember that these items are not permitted on the bus.**

If you wish to send a special treat to school for a birthday (or other celebration), please make prior arrangements with the teacher to make sure enough is sent for the whole class and that any food allergies are taken into consideration.

Please note! Due to concerns about food safety and food allergies, food and snacks brought in from outside school must be store-purchased and packaged with nutritional facts.

Please do not send invitations to a party/event (outside of school) to school for distribution unless the entire class is invited.

INFINITE CAMPUS PARENT PORTAL

Parents are encouraged to create an Infinite Campus Login/Password and utilize it to monitor their student's grades and attendance. There is access on any personal device including, but not limited to, cell phone, tablet, laptop, or desktop. The platform is web-based so, if you have internet access, you can check your child's information at any time. ***For assistance in setting up your account, please contact Jennifer Mann at 859-375-4038.***

REPORT CARDS AND PARENT CONFERENCES

Report Cards will be issued every nine weeks. Report Cards will be sent home with students approximately 10 days after the end of that quarter grading period ends. We will send home through Friday Folders and send a one call to parents to notify. We will also send progress reports home every 4-4 ½ weeks.

Grading Scale for 3rd-8th Grades

A = 90-100

B = 80-89

C = 70-79

D = 60-69

F (failing) = Below 60

Teachers will offer the opportunity for parents to schedule a Parent-Teacher conference at the end of each grading quarter. Parents are encouraged, however, to contact the teacher and/or school office at any time, if they wish to discuss student concerns or progress.

After three violations, 4th-8th grade students will spend an hour in after school detention or Saturday School.*

The principal has final authority in determining appropriate school attire. Anything that interrupts the learning environment will be discussed on a case-by-case basis.

ATTENDANCE

When students are tardy to school or leave school early, they miss valuable instructional time. Students are tardy if they arrive after 8:05 a.m. or are checked out before 2:55 p.m. Students who arrive after 8:05 a.m. must be accompanied by an adult and follow office procedures to check in before they report to their homeroom.

We ask that you try to schedule all medical and dental appointments after school hours or on Saturdays, if possible. When a child has to arrive late to school or leave early from school, the parent/guardian is required to sign in/out the child in the office. **Checking in late and/or checking out early will be registered as an “UNEXCUSED TARDY/ABSENCE” on a child’s attendance record. Parents must provide written documentation within two days of the tardy/absence, in order for the tardy/absence to be excused. Otherwise the tardy/absence will remain unexcused. Three unexcused tardies is considered truant.**

Students are required to make-up work (for credit) from excused absences. The student and teacher will work together to see that the work is provided for the student. Students will receive one day for every day absent to complete and turn in work.

Students must be in attendance for at least one-half of the school day to be allowed to attend or participate in any extra/co-curricular school event.

Attendance/tardy letters will be sent to families not in compliance with the Washington County School District attendance policy (see below). Should your child exceed the tardy/unexcused absent limit, the DPP of the district will be notified and Washington County and KRS procedures and policies and will be followed.

WASHINGTON COUNTY SCHOOLS ATTENDANCE POLICY

The following reasons will be considered excused absences. (All notes must be presented to the attendance clerk within two school days after student’s return.)

- ❖ Student is sick and has a doctor’s statement. For chronic illness, one doctor statement may be sufficient (Parents or guardians need to contact the building principal if this case exists.)
- ❖ Medical or dental appointments that cannot be made after school hours. Must bring in statement from doctor confirming date and time.
- ❖ Serious illness in the immediate household. (Principal’s discretion.)
- ❖ Order of a court.
- ❖ Death in immediate family. (Limit three (3) days except for extenuating circumstances.)
- ❖ Family emergency. (Principal’s discretion)
- ❖ Natural disaster or emergency beyond control of student.
- ❖ School-sponsored trips are not absences as they relate to the attendance policy. Students are required to make up work missed while on these trips.

❖ Pre-arranged **educational** family trips may be excused at the discretion of the principal. (Students must be passing all subjects, fewer than 6 absences and none unexcused, student report or project required which reflects the educational value of the trip.) Two (2) days maximum.

The following will be considered excused absences and are eligible for parent notes: (Limit-----Six (6) days total.)

❖ Student is sick and has a note from guardian. Notes must be presented to the attendance clerk within two school days following student's return to school.) Two (2) day limit per note.—over two days requires a Doctor's note.

❖ Funeral attendance - Outside immediate family (Parent note)

❖ Religious Function for moral instruction as defined in KRS 158.240

Special Notes

❖ Parents are encouraged to notify (call) the school by 10:00 A.M. if a student cannot attend.

❖ Suggested options for doctor's notes include health department, family service center (FSC/YSC) and contacting the school nurse.

❖ Students are required to make-up work (for credit) from excused absences. The student and teacher will work together to see that the work is completed in a reasonable amount of time.

❖ The principal or assistant principal has the final say on any excused absence.

❖ Students must be in attendance for more than one-half of the day to be allowed to attend or participate in any extra/co curricular event.

❖ Forged notes, altered excuses and other abuses will be addressed severely.

APPEALS

Parents/students may appeal the assignment of an excused/unexcused absence to the attendance appeals committee. The appeal must be based upon either process or asking consideration based upon special need or circumstance.

TRUANCY (KRS)

After six (6) unexcused absences the student will be sent a Final Notice stating that further unexcused absences will result in court charges being filed against the parent/student.

Continued unexcused absences will result in educational neglect charges being filed against the parent or guardian of the offending student.

VOLUNTEERS

Volunteers are adults who assist teachers, administrators, or other staff in public school classrooms, schools, or school district programs, and who do not receive compensation for their work. North Washington welcomes this partnership and encourages parents to consider ways they can volunteer at our school.

An adult who wishes to volunteer at a school must complete the volunteer application located on the district website under employment. The application must be approved and required documents completed prior to starting any volunteer work.

Individuals wishing to volunteer are encouraged to contact our school office and talk with Mrs. Wendy Chesser, FRYSC Coordinator.

TECHNOLOGY

Devices (ipads, desktops, chromebooks) are available for students' use during the school day. Students will also have access to the use of the Internet. Before a student can use the Internet, an Acceptable Use Policy agreement must be signed and a Parental Permission Form must be on file with the school office. 4th-8th grade students will be assigned a device for use at home and school and a technology fee of \$15 will apply. Fees for damages to student devices will be set by the district.

Cell phones or smart watches being used as a cell phone, are not allowed during the school day (7:30-3:30). Additionally, Bluetooth/wireless headphones/earbuds are not allowed. If students still choose to bring a cell phone to school, they must have it turned off and in their book bag or locker. If students wear a smart watch to school, it must not be used for cell phone operations such as texting or calculator use. This does not apply to students with a medical plan on file with the nurse that requires the use of a device for health monitoring purposes.

1. **First Offense:** Staff will confiscate the device for the remainder of the school day and students will be issued an infraction.
2. **Second Offense:** Staff will confiscate the device for the remainder of the day and a parent will be called to come and pick up the device. The student will be issued an infraction.
3. **Third Offense:** Staff will confiscate the device for the remainder of the day and a parent will be called to come and pick up the device. The student will be issued a one-hour detention.
4. **Fourth and Subsequent Offenses:** The student will be issued a one-hour detention for each offense. The student will no longer be allowed to bring their cell phone to school OR it must be turned into the office each morning and collected at the end of each day.

SCHOOL DISCIPLINE

While each classroom will establish specific guidelines for student behavior, North Washington has set standards for acceptable behavior to ensure a safe and secure learning environment.

The WCS Code of Acceptable Behavior and Discipline handbook will be followed. A copy of the Handbook will be provided to each student annually, with student and guardian reviewing and signing that they have received and reviewed.

LOCKERS

Locker assignments for 4th-8th grade students are determined by teachers for each grade level. If your child is not assigned a locker but you have a specific request for one you may contact the school to discuss further by speaking to the principal, Alicia Kelly.

SBDM POLICIES

All NWES SBDM Policies may be found on the school web page, <https://nws.washington.kyschools.us/>, as "Policies", under the About NWES tab. They are also accessible in our school office.
