FACILITIES PLANNING

REQUEST FOR BUILDING COMMITTEE

Whenever it is deemed necessary by the Board of Education to provide for additional and/or major facility alterations for the educational system, the Board of Education shall request the Town to form a School Building Committee. In support of the Board of Education's request, the Board shall, through its Superintendent and administrative staff, provide the necessary educational specification, which should be a part of an encompassing long-range educational plan and which should fit the organizational pattern for the school system. Other particulars in prescribing the action should include enrollment data, an outline of the general nature of the program for the particular facility, which would include support facilities such as health, food, custodial, as well as community uses and the basic equipment and site placement and requirements thought necessary.
