

During the summer, read 1 book of your choice.

Your novel should be:

- High School Level (ex. *No I Survived*, *Diary of a Wimpy Kid*, etc.)
- 100 pages or more

While reading, write 5 journal responses of **75-100 words**.

You DO NOT have to answer these, but these are the types of questions that you can consider to help get you started:

1. What connections can you make from the book to movies, news events, other texts, your own life, etc.?
2. Write about something that intrigues, impresses, amuses, shocks, puzzles, disturbs, repulses or aggravates you.
3. If I was the author, I'd change...
4. Which character do you feel most connected to? Why?

SEE [THIS DOCUMENT](#) FOR MORE IDEAS!

In our first week, you will do an informal "pitch" for your book to the class! (Why should your classmates read this book?)

Feel free to email me (zoieramirez@nelsd.org) if you have any questions!
