VII. BOARD PRESIDENT’S REPORT

Mr. Kenny stated this is the best time to be President of the Board of Education. There is academic, athletic and personal achievement among district students. The Board and administration have received support through a passed budget. Thanked the voters and the public. The district has a great community as evidenced by the 170 points of blood donated for a former student who is sick. Ms. Nappi, Lloyd Road,

- Question regarding Personnel items C-6 and C-9, the chaperones for the 5th grade party and the teacher tour guides at Lloyd Road. The staff members should volunteer to do these types of things. Ms. Rubino asked if item B-3 under the Program agenda is additional Title I funds and what is the plan to utilize those funds. Dr. O’Malley stated they are additional Title I funds for Schools in Need of Improvement. Some of the funds will be utilized this year while some will carried over.

XI. PERSONNEL

Motion by Mr. Ruprect, seconded by Mr. Warren.

Mr. Warren requested a separate vote for item C-1 of the Personnel Agenda due to a conflict of interest.

A discussion arose among the Board regarding the chaperones and tour guides and the options the Board had whether to table that portion of the agenda, vote on it separately or approve it. There were questions as to whether volunteers could be found and if the Board was forced to use teachers since the amounts paid are contractual.

Mr. O'Connell stated he does not remember this being a past practice. Dr. O'Malley stated in the past teachers were not paid, they were given compensation time instead and that it may be too late to find volunteers or teachers to be chaperones or guides if this is not approved at tonight's meeting. Dr. O'Malley went on to say that the chaperones are needed because there will be over 300 kids at the 5th grade party and six have already been approved at a previous meeting.

Mr. O'Connell moved and then withdrew his motion to vote on items 6 and 9 separately with the stipulation that these items will not become past practice. Mr. Kenny stated it will not be a past practice.

Mr. Kenny emphatically stated any agreement will not be considered past practice and that this matter displays the type of administration the district has since the Superintendent brings these types of matters to the Board's attention.

The Superintendent recommends the following items for the Board of Education's approval:

**XIII. COMMENTS & QUESTIONS FROM PUBLIC
RELATING TO ADDITIONAL CONCERNS**

Various Aberdeen and Matawan residents made comments, expressed concern, and/or raised questions regarding the following items included in the agenda to which Dr. O’Malley, Mr. Kenny, Ms. Rubino and Mr. O’Connell responded.

Mr. Santimauro, 20 Chestnut Drive, Matawan,

- Discussed the Director of Security position and the safety of the children. The safety of children can’t be measured in dollars and cents. This individual has his finger on the pulse of the district. Mr. Kenny stated his answer will not be sufficient for Mr. Santimauro. Mr. Kenny is also a parent of a student within the district. Unfortunately, the law prohibits the Board from speaking about an employee’s job performance. Mr. Kenny stated that Mr. Santimauro can email or call him to discuss this further. The Board has confidence that the administrators have all of the responsibilities of the Director of Security covered.
- Heard that the police department will be used as security. Mr. Kenny stated nothing is written in stone, however the district does have a police officer in the High School and the district continues to develop its relationship with the police departments of both Matawan and Aberdeen. Mr. Santimauro said there are intangibles that come into play as well that should be taken in account.

Mr. Denino, 21 Donner Place, Aberdeen,

- Felt the need to speak. When he hears from people that there are troubles in our buildings, does not understand why the position of Director of Security would be eliminated. Mr. Kenny stated that the position is being eliminated.

Ms. Rubino stated anything the Director of Security did is going to be taken care of by somebody or by a department. Everything will be status quo.

Mr. O’Connell seconded Ms. Rubino statement. The district does have a security plan which the Board is annually briefed on.

Mr. Denino, 21 Donner Place, Aberdeen,

- Came back to the microphone to state that he loves this community and wants to make sure his kids will be safe.

Mr. O'Connell responded that a child will never be put in danger. Administration has been working closely with both police departments and it is his personal opinion that the new plan has clarity with respect to the accountability of the security for the district.

Mr. Aitken, 65 Juniper Place, Aberdeen,

- Congratulated the new Board members. Is thankful to see that the district did not burden his children by deferring its pension obligation.

Mr. Knox, 97 Aberdeen Road, Matawan,

- Asked when the public will be informed of the Board's plan for security. Mr. Kenny stated that security information is very sensitive and the public will not be given details. Mr. Knox stated the public is entitled to this information. Mr. Kenny stated he as Board President is not privy to all details of district security. Parents are entitled to know that their children are safe.

Mr. Kenny asked Ms. Irons to find out what details the Board is allowed to give the public regarding safety procedures.

Mr. Santimauro, 20 Chestnut Drive, Matawan,

- If the Director of Security is no longer in the school, who does a parent call to get answers regarding safety issues? Dr. O'Malley stated the building principal should be called.

Ms. Radvanski, Angelica Court, Matawan,

- Pleased to see Board members, the administration and teachers going door to door in support of the budget. Thanked everyone for presenting a great budget.
- How long has the position of Director of Security been around? Mr. Kenny stated since 2005.

Why was it created and what has changed that it isn't needed anymore. Mr. Kenny stated the structure of the district has changed. Reorganization of the district hierarchy.

XIV. UNFINISHED BUSINESS

Mr. Donaghue stated that security is an issue. He remembers Columbine and September 11th. As a football coach, Mr. Donaghue remembers kids coming and reporting everything they heard and saw. The job of parents is to put awareness into people. Students are the eyes and ears of the parents. Parents need to instruct children to report anything out of the ordinary.

Mr. Warren thanked and congratulated Dr. O'Malley for getting the first budget in eight years to pass. Also thanked teachers for walking door to door to get the budget passed. With respect to safety, nothing would have changed if it sacrificed safety in any way. The district should adopt the policy of "See Something Do Something."

Ms. Guisti, 5 Ivory Court,

- Agrees with Mr. Donaghue about parents being involved. With respect to the individual employed as the Director of Security, kids may be more inclined to speak to him and they feel safe going to him. Mr. Kenny stated the building principal should be informed if there are any safety issues. Ms. Guisti stated kids may not speak to someone else.

Mr. Donaghue clarified he was not passing the responsibility of security to the kids but make them aware of their surroundings.

XV. NEW BUSINESS

Ms. Rubino attended Cliffwood Elementary's art show. The entire kindergarten wing was set up with artwork. The halls looked gorgeous and the Resource Center was decorated with artwork as well. The school looked beautiful.

Mr. Kenny stated he is not a cheerleader for the administration. It is not his role to sit there and defend the administration. The facts presented to the Board allowed him to defend the administration. The children in the district are safe, and he would vote no on anything if it's the responsible thing to do. Mr. Kenny invited all Board members to work with him.

XVI. ADJOURNMENT

A motion by Mr. O'Connell, seconded by Mr. Donaghue.

RECOMMEND: That the meeting be adjourned. The public portion of the Regular Action meeting adjourned at **9:25PM**.

Note: There are emergency days built into the calendar, which, if taken, will not be necessary to make up in order to meet the 180-day student year. In fact, for each emergency day not taken, the last day of school for students and teachers shall be reduced by one day beginning June 25, 2009, in reverse order. If additional emergency closing days are needed to be made up, they shall be as half-days, beginning June 26, 2009. Staff must make vacation and personal plans with the understanding that the revised schedule will be implemented as needed based upon whether there are other emergencies, and that the Board will not grant personal leave, without pay for these days. Requests for any other leaves of absence (i.e., sick leave or family illness) on these days may require a physician's verification.
