## School Budget Expenditures: Out of District Services

### OUT OF DISTRICT SERVICES

#### TUITION

Magnet School (K - 12): We currently have students attending 7 different Magnet Schools. There will be 15 students at Magnet Schools in 24-25. 9 of those students will be in grades K-8.

Lebanon Vo-Ag (Grades 9 - 12): Anticipated tuition amount is for 4 students, based on anticipated enrollment.

Tuition out-of-district Student Attending Salem: Anticipate zero students attending Salem School from out of town.

SPED Placements (Pre-K – Grade 12+): Tuition costs are for 12 out-of-district placements for known students for a defined 10-month school year, this is an increase of 5 students from 23-24 budget. 3 students moved from ELHS grade 12 to out of district. 3 students moved to out-of-district during 23-24 school year. 1 student from 23-24 took diploma reducing the increase to 5. Increase occurs in 23-24 as seen in the adjusted amount. Adjusted increase is 4.73% versus increase over approved budget of 71.5%. \$110,638 in anticipated special education excess cost revenue has been used to offset these expenses. The budget calculation for the line item is total tuition - \$642,361 less Special education excess cost est. - \$110,638 equals line item budget \$531,723.

Extended Programs: Costs are for those students requiring special education and attending out of district schools who require more than a standard 10-month program or an extended school day program during the summer. There are currently 8 students in these programs. 3 were not included in the 23-24 budget causing a larger budget increase for 24-25 when compared to the approved budget.

#### TRANSPORTATION

Magnet School (K – 12): Salem does not provide transportation for students attending Magnet Schools during the 24-25 school year.

Vocational Schools (Grades 9 – 12): Costs for transportation of high school students to Lebanon Vo-Ag, Grasso Tech, and Norwich Tech are included. Actual cost increased significantly in 23-24 because we were not able to share costs with districts that we had previously shared the cost. Increase vs adjusted balance reflects vendor increases.

Special Education: Out-of-district transportation is provided for special needs students. Amount budgeted reflects transportation for the placements for 24-25 explained above.

#### SPECIAL EDUCATION SERVICES

Some out-of-district students may require any of the following services in a given year: tutors, evaluations, therapy, consultation, special supplies, equipment, or home bound services. Salem funds and provides these mandated services directly to Salem students. These expenses cover Magnet School students and those out placed at non-district facilities.
