

Aledo Growth Committee
Meeting Minutes
December 5, 2022

Co-Chair Dan Reilley welcomed the AGC and began the meeting at 6:03 p.m.

Various AGC members shared their takeaways from the AGC tour of the Hollenstein Career and Technical Education Center in Eagle Mountain Saginaw ISD..

Mr. Reilley reviewed the top priorities the AGC brainstormed at the last AGC meeting. The AGC members collaborated in small groups regarding these priorities and their preliminary thoughts on a potential plan to meet needs.

The AGC members shared their group thoughts and draft plans they discussed during the work time.

The AGC took a short break.

The AGC engaged in a large group discussion regarding their thoughts on the potential plans discussed in groups.

Chris Campbell, Chief Facilities and Construction Officer, discussed the cost of adding portable buildings to various campuses across the district.

The AGC continued the discussion on possible plans for growth, and the importance of listening to the community at the upcoming community meetings.

Co-chairs Kelli Stumbo and Dan Reilley closed the meeting at 9:03 p.m.
