Superintendent Dr. Susan Bohn welcomed the AZC members and thanked them for volunteering their time to contribute to this work. She introduced staff members who were in attendance including Deputy Superintendent Kim Raymond, Assistant Superintendent of Student and Community Programs Dr. Ingia Saxton, Director of Communications Mercedes Mayer, Executive Assistant Katherine Springer, and Chief Financial Officer Earl Husfeld. Dr. Bohn also introduced Board members David Lear and Jennifer Loftin.

Each member of the AZC introduced themselves and shared why they decided to serve on the committee.

Demographers Kris Pool and Angela Fritz from Aledo ISD's outside demography firm, Population and Survey Analysts (PASA), shared the most recent demographic data for the district. The data is in the most recent demographic study report and is available on the district's website. Members of the AZC asked Ms. Pool and Ms. Fritz questions about the data that was presented, and the demographers discussed with the group the research methods and information about planned development in the district and its impact on expected student growth.
