Parent Address

Dear \_\_\_\_\_

A Response to Intervention program is in place for our Kindergarten through Grade Four students at Quinton School. The program is a three-tiered model of intervention designed to help students strengthen their Language Arts Literacy skills.

Tier 1: The classroom teacher provides modifications and adjustments.

Tier 2: An intervention teacher enhances and strengthens weaknesses 2-3 times per week in a pull out program.

Tier 3: An intervention teacher enhances and strengthens weaknesses 4-5 times per week in a pull out program.

Your child, \_\_\_\_\_, will move from Tier (1,2, or 3) to Tier (1, 2, or 3) level of service for Language Arts. If you have any questions or concerns, please feel free to contact me at 856-935-2379 ext. 205.

Sincerely,

Mr. Stewart Potter  
Superintendent
