**VI. WORK SESSION TOPICS**

a. New policies review

*Dr. Hughes forwarded all changes and updates to the BOE for review prior to the meeting. The Board is in consensus to add them to the May 25, 2022 Agenda for a first reading.*

b. Tuition students for 2022-23

*There are currently 3 requests for out of district students to attend HPS in the 8th grade for the 2022-23 school year. The BOE would like a cut off of 20 students per section.*

- c. STEAM Teacher and summer curriculum writing  
*A candidate will be presented for approval at the May 25th meeting. She will be asked to write curriculum for the new tech standards using the curriculum written by NVCC.*
- d. 2022 8th grade Washington D.C. trip proposed dates  
*We had a parent propose that the trip be moved from November to the spring. There are some concerns about moving it to the spring. The amount of crowds and availability for certain attractions. Laying the wreath at Arlington is not available in the spring. Cost is less and it is an overall better experience in the fall. There is also a hard time finding chaperones for three spring school overnight trips. The Board suggested looking possibly looking at other dates in the fall as well.*
- e. HTA name proposal for the new STEAM Lab  
*The Board likes the idea, but would prefer to revisit this topic when it gets closer to the finishing of the project.*
- f. Review of May 25, 2022 BOE Meeting Agenda Draft

*Mr. Wolford updated the Board on the bidding of the Bonds and the outcome.*
