

Bond Progress Meeting Minutes

May 10, 2022

New Vandagriff Elementary (currently McAnally Intermediate School)

Matt Morris, Chair of the Bond Progress Committee, welcomed the committee to the meeting at 6:02 p.m. Dr. Susan Bohn, Superintendent of Aledo ISD, shared an update on the district operations and the focus the administration has on retaining and hiring qualified staff.

The Long Range Facility Planning Board Subcommittee, including Trustees Hoyt Harris, David Lear, and Jennifer Loftin, updated the BPC on their work regarding long range planning for the district. Members of the BPC shared thoughts and questions regarding long-range planning.

Dr. Bohn provided a brief update on land opportunities in the district for future school sites. She also shared the recent developments with the ongoing Aledo Middle School renovation.

Tyler Boswell, Director of Facilities and Construction, shared updates and photos of each of the 2019 Bond Projects:

- Aledo Middle School
- McAnally Middle School
- Vandagriff Elementary
- Early Childhood Academy

Mr. Morris, Dr. Bohn, and Mr. Boswell began the tour of the New Vandagriff Elementary school and closed the meeting at 7:40 p.m.
