

Bond Progress Meeting Minutes  
February 15, 2022  
Annetta Elementary

Matt Morris, Chair of the Bond Progress Committee, welcomed the committee to the meeting at 6:00 p.m. Dr. Bohn, Superintendent of Aledo ISD, shared an update of the district and the focus the administration has on retaining and hiring qualified staff.

Tyler Boswell, Director of Facilities and Construction, introduced the architects from PBK and Huckabee who were in attendance. Holly Elgin, Principal of Annetta Elementary, introduced the staff she had with her to share with the BPC their favorite part of the building. Principal Elgin was accompanied by Assistant Principal, Alyssa Seay; Librarian, Jessica Vonda Haar; Special Education Facilitator, Jessica Cadis; and Teacher, Kayla Cope.

The BPC toured Annetta Elementary with the architects and the Annetta staff.

Mr. Boswell shared updates and photos of each of the 2019 Bond Projects:

- Aledo Middle School
- McAnally Middle School
- Vandagriff Elementary
- Early Childhood Academy

Dr. Bohn shared an update on the coming steps to open the Early Childhood Academy in August including staffing, licensing, and road construction. Dr. Bohn gave a brief update on potential land purchases and donations. She also shared that the district has started working with a new demographer, PASA Demographics.

Mr. Morris closed the meeting at 8:13 p.m.
