School Tool vendor is moving their services from MHRIC to the AWS cloud, currently equipment is housed at MHRIC.

- All School Districts, under MHRIC, will have their SchoolTool instance migrated to cloud by end of year 2024.
- Walkkill, along with Pine Bush, Arlington, Monticello, Washingtonville, and Minisink, are migrating this spring.
- ~~Walkkill will be cutting over to the new tenant on March 25, 2024. +~~
- New launch date is May 23, 2024
- ~~Our obligation to end users is to disclose new URL link. Tentative March 4th.~~
- We will notify users on May 6th, 2024 and disclose new link.

CYBER SECURITY UPDATES

Updates

- TTX is May 1st at BOCES.

Previous meeting

- Core switches are deployed.
- ACL applied.
- Meeting on February 22, 2024, to plan TTX

Mid-Hudson Region School Districts Cyber Tabletop Exercise

Mid-Hudson Region School Districts Cyber Tabletop Exercise

Save the Date

The Ulster Board of Cooperative Educational Services (BOCES), in close partnership with the Cybersecurity and Infrastructure Security Agency (CISA), is hosting the **Mid-Hudson Region School Districts Cyber Tabletop Exercise (TTX)**.

This tabletop exercise will examine the districts' ability to protect against, detect, and respond to a disruptive cyber incident. Exercise participants will discuss cascading impacts of a cyber incident to inform updates to cyber incident response plans.

Participants for this exercise include school districts from across the Mid-Hudson region and other cyber incident response partners from the state and region.

Exercise Purpose

Assess the cyber resilience of Mid-Hudson Region School Districts and their ability to respond to a significant cyber incident.

Exercise Objectives

1. Assess cybersecurity policies, procedures, and processes to manage a cybersecurity incident.
2. Evaluate the cybersecurity education and training of Mid-Hudson Region School Districts.
3. Discuss the cybersecurity resilience and capabilities of Mid-Hudson Region School Districts.

How to Participate

We would greatly appreciate your involvement in this exercise as your participation will enhance exercise play and contribute significantly to the accomplishment of the exercise objectives.

For questions about registration or additional information, please contact Brenton Gardner at bgardner@ulsterbooces.org and/or servis@ulsterbooces.org.

EVENT DETAILS

DATE	May 1, 2024
TIME	9:00 a.m. – 12:00 p.m. Eastern Standard Time
LOCATION	Jane Bullowa Conference Center

CIS Control 8 – Network – Audit Log Management

Collect, alert, review, and retain audit logs of events that could help detect, understand, or recover from an attack.

Control 8.1 - Establish and Maintain an Audit Log Management Process

- Establish and maintain an audit log management process that defines the enterprise's logging requirements. At a minimum, address the collection, review, and retention of audit logs for enterprise assets. Review and update documentation annually, or when significant enterprise changes occur that could impact this safeguard.

- *Walkkill Subscribes to A5 Licensing which includes a robust set of security logs. Local hardware has internal logging.*
- *System changes are logged to a share OneNote file.*

CIS Control 8 – Network – Audit Log Management

Control 8.2 - Collect Audit Logs (NIST PR.PT-1, DE.AE-3)

- Collect audit logs. Ensure that logging, per the enterprise's audit log management process, has been enabled across enterprise assets.
 - *Logging is enabled on all computer systems, with limited storage. Logs overwrite as needed.*
 - *Network devices log to a syslog server with limited storage.*
 - *Server logs are enabled with limited storage. Logs overwrite as needed. Logs are also kept in O365.*

Control 8.3 - Ensure Adequate Audit Log Storage

- Ensure that logging destinations maintain adequate storage to comply with the enterprise's audit log management process.
 - *Logging is limited based on physical storage. Logs overwrite as needed.*

WEBSITE

- Review templates in March 2024
 - *UPDATE: we chose Salisbury as our template.*
- Demo site will be active 7/1/2024
- Make revisions over the summer.
- Site to go live September 2024
- <https://www.finalsite.com/themes>

The screenshot shows the homepage of the Walkill Central School District website. At the top, there is a navigation bar with links for "District Home", "Translate this page...", "Site Manager", "My Account", and a search bar. The main header features the district's logo, the name "Walkill Central School District", the tagline "Together We Can Make a Difference", and icons for "Office 365", "SchoolTool", "Schoology", and "Directory". Below the header is a secondary navigation bar with links for "Home", "District", "Departments", "Schools", "Student Resources", "Staff Resources", "Parent Resources", and "Community". The main content area is divided into several sections: a large image of students working at a table with the caption "Students Doing Math"; a weather widget from AccuWeather showing "Walkill, NY" with a temperature of "52°" and "3:10 pm EST Cloudy"; a section for "Additional Weather & School Closing Resources"; and two columns of links. The "General Information" column includes links for "Sign up for Text Alert Messages", "Contact Us", "Coping Skills and Mental Health", "Data Privacy and Security", "Learning at Walkill", "Lunch Menus", and "Non-Discrimination Statement". The "District Announcements" column lists several new items: "2024 - 2025 Kindergarten Student Registration", "2024 - 2025 Universal Pre-Kindergarten Information", "Grades K-12 Remote Learning Handbook", "Be-YOU-Tiful Club and Athletic Program Recognized by NYSPHSAA", "Information About the Community Eligibility Provision (CEP) Grant Program for Food Services", "2023 - 2024 Bus Routes", and "Approved 2023-2024 District Calendar".
