DISTRICT RECOGNIZED FOR FINANCIAL REPORTING

July 26, 2024

(MACON, GA) – The Bibb County School District was recently recognized with a Certificate of Achievement for Excellence in Financial Reporting. Based on documentation from the 2023 fiscal year, this marks the 25th consecutive year that the District has received this award.

“This honor is truly a team effort, which not only includes the current staff and leadership but also those who came before us,” said Chief Financial Officer Eric Bush. “We have a standard of accountability and excellence to uphold, and I’m glad we can work to do just that.”

The Certificate of Achievement is intended to recognize government entities that prepare financial documents in a way that allows transparency and full disclosure. This aligns with the District’s goals of performance accountability and relationship-building with the community.
