- Calculator\*

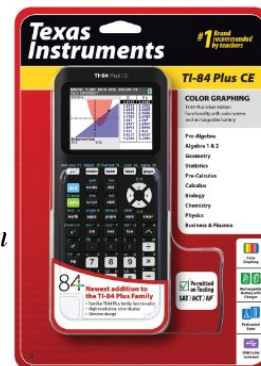

---

### \*Calculator Information

Students who need to purchase a new calculator should buy the **TI-84 Plus CE**.

*Note: If a student already owns a calculator, a minimum requirement of the TI-83 and up will be accepted.*

---

### Technology requirement

Upper school students are required to bring their own laptop to school each day for use in classes. (Note: A phone is not considered an acceptable device for educational use). Students should bring a Chromebook or a laptop, but PC or Mac laptops are preferred.
