

PROCEDURE - Notification of Juvenile Offenders

The Liberty School District is committed to providing a safe and secure environment for all its students and staff. All students, including those who have committed or been adjudicated for offenses, have constitutional rights to public education.

A. Notification of Student Offenses from County Sheriff's Office, Courts, Department of Social and Health Services, Department of Corrections, and Other School Districts.

The district receives notices and information about student offenders from several statutorily authorized sources, including the county sheriff's office, the courts, the department of social and health services, the department of corrections, and other school districts where the student previously enrolled. The district will take appropriate precautionary measures when it receives notices and information of student offenses from any of these sources. Student discipline, if any, will be consistent with 3241 – Student Discipline.

The superintendent, or his or her designee, and school principals play an important role in determining and implementing appropriate precautionary measures relating to notices and information about student offenses. If the superintendent, a designee of the superintendent, or a principal of a school receives student offense information under RCW 28A.225.330 (notifications from other school districts), 9A.44.138 (sheriff notifications to school districts), 13.04.155 (court notifications to school districts), 13.40.215 (department of children, youth, and families notifications to school districts), or 72.09.730 (department of corrections notifications to school districts), the following notification provisions will be followed.

1. Sex Offenses and Registered Sex or Kidnapping Offenders.

a. Superintendent or Designee. Upon receipt of information about sex offenses as defined in RCW 9.94A.030 or upon receipt of information about registered sex or kidnapping offenders pursuant to RCW 9A.44.138, the superintendent or his or her designee will provide the information to the principal of the school where the student is enrolled or will enroll—or, if not known, where the student was most recently enrolled.

b. Principals. When the principal receives the information described above, he or she must then disclose the information as follows.

If the student is classified as a risk level II or III, the principal shall provide the information received to every teacher of the student and to any other personnel who, in the judgment of the principal, supervises the student or for security purposes should be aware of the student's record.

If the student is classified as a risk level I, the principal shall provide the information received only to personnel who, in the judgment of the principal, for security purposes should be aware of the student's record.

c. Convicted Juvenile Sex Offenders Attendance at Victims School. Convicted juvenile sex offenders are prohibited from attending the elementary, middle, or high school attended by their victims or their victims' siblings. The parents or legal guardians of the convicted juvenile sex offender shall be responsible for providing transportation or covering other costs associated with or required by the sex offender's change in school.

The Department of Social and Health Services (DSHS) Sex Offender School Attendance Program assists with ensuring that juvenile sex offenders, committed to Juvenile Rehabilitation Administration (JRA), do not enroll in the same school as their victim or their victims' siblings. If there is a conflict in schools, DSHS program staff will work with JRA to have the offender moved to another school.

d. Collaboration. The principal or designee will consult and collaborate with department of corrections, juvenile justice staff, treatment providers, victim support groups, and families, as applicable, when working with students required to register as a sex or kidnapping offender.

e. Inquiries by the Public. Law enforcement agencies receive relevant information about the release of sex and kidnapping offenders into communities and decide when such information needs to be released to the public. Therefore, district and school staff will refer all inquiries by the public at large (including parents and students) regarding students required to register as a sex or kidnapping offender directly to law enforcement.

2. Violent Offenses, Firearms and Dangerous Weapons Crimes, Unlawful Possession or Delivery of Controlled Substances, or School Disciplinary Actions.

a. Superintendent or Designee. Upon receipt of information about a violent offense as defined in RCW 9.94A.030, any crime under chapter 9.41 RCW, unlawful possession or delivery, or both, of a controlled substance in violation of chapter 69.50 RCW, or a school disciplinary action, the superintendent or designee will provide the information to the principal of the school where the student is enrolled or will enrolled—or, if not known, where the student was most recently enrolled.

b. Principals. When the principal, receives the information described above, he or she, *has discretion* to share the information with a district staff member if, in the principal's judgment, the information is necessary for:

- The staff member to supervise the student;
 - The staff member to provide or refer the student to therapeutic or behavioral health services; or
- Security purposes.

School principals and staff should use care not to allow a student's demographic or personal characteristics to bias the decision of whether to share information received.

Upon receipt of information about an adjudication in juvenile court for an unlawful possession of a controlled substance in violation of chapter 69.50 RCW, the principal *must* notify the student and the parent or legal guardian at least five days before sharing the information with a district staff member.

If either the student or the student's parent or legal guardian objects to the proposed sharing of the information, the student, the student's parent or legal guardian, or both, may, within five business days of receiving notice from the principal, appeal the decision to share the information with staff to the superintendent of the district in accordance with procedures developed by the district.

The superintendent shall have five business days after receiving an appeal under the above to make a written determination on the matter. Determinations by the superintendent under this subsection are final and not subject to further appeal.

A principal may not share adjudication information under this subsection with a district staff member while an appeal is pending.

3. Public Records Act.

Any information received by district staff under this section is exempt from disclosure under the public records act (chapter 42.56 RCW) and may not be further disseminated except as provided in RCW 28A.225.330, other statutes or case law, and the family and educational and privacy rights act of 1994 (20 U.S.C. Students and school employees who are subjects of threats of violence or harm will be notified of the threats in a timely manner. "Threats of violence or harm" means direct or indirect communications by any means of the intent to inflict physical harm upon a specific individual or individuals or that place a person in fear of the imminent likelihood of serious harm.
