

## **Student Health**

The Liberty School District superintendent will arrange for health services to be provided to all students. Such services will include but not be limited to:

- A. The maintenance of student health records;
- B. The development of procedures at each building for the isolation and temporary care of students who become ill during the school day;
- C. Consulting services of a license healthcare provide and/or Registered Nurse;
- D. Vision (both distance and near) and hearing screening, and
- E. Immunization records and screening.
