Academics

Graduation Requirements

- Students must earn 135 credits total and complete all subjects as outlined below.
- 110 credits earned in the required subject areas, 25 electives.
- Students must complete and present the **Student Portfolio** (elective credits).
- Students must earn **20 credits in residency** at Stein.

English	30 credits
Social Studies	30 credits
Science	20 credits
Math	20 credits
<i>(including Algebra 1 or equivalent)</i>	
Fine Arts	10 credits
Electives	25 credits
<i>(includes PE, Portfolio, Advisory, Ethnic Studies)</i>	
Total	135 credits

Student Portfolio

The Student Portfolio is both a graduation and a transfer back requirement. The Student Portfolio includes practical, real-world items (resume, career research, letters of recommendation, short and long-term goals) as well as many optional items that each student chooses to include, such as but not limited to FAFSA Application Confirmation, Online Job Application, and ASVAB Test Scores. Upon completing their portfolio, and with the approval of their teacher/advisor, each student must present their portfolio to a panel of teachers. To collect data and determine effectiveness of the portfolio, questions about the portfolio and the portfolio process are asked of each student when they present.

Edgenuity

Edgenuity is a district-approved online program available onsite at Stein. Students must receive approval from their Advisor prior to taking a course on the Edgenuity learning platform.

Note on academic honesty: All work submitted by students should be a true reflection of their effort and ability. If it is not, then the student has demonstrated unacceptable behavior. The following instances are considered cheating:

- Claiming credit for work which is not the product of one's own honest effort.
- Providing unwarranted access to materials or information so that others may dishonestly claim credit.
- Submitting work done entirely or in part by another person.
- Giving test answers to another student or getting test answers from another student.

- Representation of another person’s words or ideas as your own by not properly citing the source and giving the author credit.
- Copying from the internet and/or from another student.
- Knowledge and tolerance of the foregoing circumstances.

There has been a significant increase in the popularity and availability of a variety of generative artificial intelligence (**AI**) tools, including ChatGPT, Sudowrite and others. These tools will help shape the future of work, research, and technology — but when used in the wrong way, they can stand in conflict with academic integrity at Stein High School. To maintain a culture of integrity and respect, these generative **AI** tools **should not be used** in the completion of course assignments.

Any behavior, which can be defined as cheating, represents a violation of mutual trust and respect essential to education. Students who cheat should expect to be confronted by their teacher and be subject to penalties/consequences outlined on page 10.

Advisory/Vision Class

Stein High includes a zero period daily. This class is referred to as Advisory/Vision. Students will cover topics such as social-emotional learning, academic coaching, college & career readiness, and work on completing their portfolio. Every Thursday, students receive a Weekly Progress Report Card that shows their individual academic progress and whether they qualify for Buy-Out. Advisors provide “count down” sheets for their advisees. The countdown sheet for every student provides the students with a lesson goal to aim for each week based upon their individualized graduation needs. It is in Advisory/Vision where students hear the weekly announcements, request schedule changes, and initiate the Adult School/Summer School application process.

Weekly Progress Report Card (Weeklies)

The Weekly is given to students each Thursday during **Advisory/Vision**. The Weekly shows the number of lessons a student earned in each subject area the previous week. The Weekly shows the number of credits earned during the quarter. **Parents ask their child to share their weekly progress report with you each week.**

Credit System

Students are generally assigned a course lesson sheet defining the work they are expected to complete. Each assignment is given “lesson value” by the teacher. One lesson is equal to approximately 45 minutes of on-task time. Fifteen lessons equal one credit; therefore, 75 lessons are equal to five credits. There is no limit to the maximum number of credits a student may earn in a quarter. The student’s advisor will calculate the number of lessons per week that a student **needs to earn** to graduate on schedule.

Academic Honesty *(as outlined in the TUSD High School Handbook)*

All work submitted by students should be a true reflection of their effort and ability. If it is not, then the student has demonstrated unacceptable behavior. The following instances are considered cheating:

- Claiming credit for work which is not the product of one's own honest effort.
- Providing unwarranted access to materials or information so that others may dishonestly claim credit.
- Submitting work done entirely or in part by another person.
- Giving test answers to another student or getting test answers from another student.
- Representation of another person's words or ideas as your own by not properly citing the source and giving the author credit.
- Copying from the internet and from another student.
- Knowledge and tolerance of the foregoing circumstances.
- Any behavior, which can be defined as cheating, represents a violation of mutual trust and respect essential to education. Suspected cheating can result in the following but not limited to:
 - Conference with teacher.
 - A "zero" on submitted work.
 - Disciplinary referral.
 - Notification of parents.

There has been a significant increase in the popularity and availability of a variety of generative artificial intelligence (**AI**) tools, including ChatGPT, Sudowrite and others. These tools will help shape the future of work, research, and technology — but when used in the wrong way, they can stand in conflict with academic integrity at Stein High School. To maintain a culture of integrity and respect, these generative **AI** tools **should not be used** in the completion of course assignment.

If a student is found to have cheated a second time or is involved in a particularly serious act of cheating, the student will be referred to the Principal/Designee for a formal hearing of those concerned (student, teacher, parents, counselor, administrator). Consequences may include suspension from class, school, and/or loss of class credits.

Attendance Procedures

It is the responsibility of the student and parent/guardian to verify an absence, and they must do so **within 48 hours** upon returning to school. An auto dialer will notify parents/guardian when a student is absent from school or a portion of the day.

Parents are responsible for notifying the school between 7:30-4:30 pm whenever their student is absent. Parents may call the attendance office and/or send a note upon his/her return to school. All notes must contain the following information:

- Name of student
- Date(s) of absence
- Specific reason for absence
- Daytime phone number where a parent may be reached
- Parent's signature

Tardy Policy

A tardy is defined as arrival to class after the tardy bell rings and up to 20 minutes into the instructional period. Arrival to class 20 minutes or later will constitute a truant. Students must be in their seats when the tardy bell rings to avoid being marked tardy.

Late arriving students (9:20 am or later):

- **Must** go through the office for a truancy pass to class.
- **Must** go to class upon receiving a truancy pass.
- **Must not** loiter on campus waiting for the next class period to begin.
- *The tardy process starts over each quarter.*

What Are Buy-Outs

Stein High students earn buy-outs as an incentive to improve student attendance and academic progress. Buy-Outs are earned by maintaining perfect attendance and by earning a minimum of 30 lessons for the week. When a student has perfect attendance Friday - Thursday, they earn the privilege of "Buy-Out" on Friday. In doing so, the student does not have to attend school on Friday of that week.

Buy-Out Policy:

- Students must have perfect attendance (no excused, unexcused, truancy and/or tardies) Friday - Thursday.
- Students must earn 30 lessons/2 credits minimum that week.
- Buy-Outs cannot be saved as they are earned week to week. Use it or lose it!
- To receive their Buy-Out clearance, students need to submit their current weekly to our support staff in the administration office reflecting their lessons/credits and attendance approval from advisor at 1:35pm.
Note: Substitute teachers are not authorized to approve Buy-Out privileges.
- Students on a 3-period day forfeit Buy-Out privileges.
- Students are allowed to Buy-Out only on full, five-day school weeks with no minimum days.
- Lost Buy-Out forms **will not** be replaced.
- If, as parent/guardian, you do not wish your child/student to participate in Buy-Out, please call the school office at (209-830-3395).

Eligibility for a 3-Period Day

- Portfolio completed and presented.
- Three or fewer classes remaining.
- Six credits or less to go.
- Forfeit Buy-Out privileges.
- ***Must have 90% positive attendance.***
- Must be a Senior or Junior graduating in final semester of Junior year.
- The assigned periods are M-F periods 0-3.

Travel Study

Travel Study is a program available to students who must travel and miss school for five or more days. This program provides students with the opportunity to maintain their grades, attendance, and credits in their classes. Students who want to utilize the Travel Study program must contact the office to request and complete the necessary form **at least one week prior (5 school days)** to leaving school per TUSD policy. The contract must be approved by the principal **at least one week (5 days) prior to leaving for Travel Study**. The form must be signed by the parent and returned to the office before the student leaves for travel study. ***NOTE: The principal's signature of approval is required PRIOR to teachers' signature and PRIOR to beginning Travel Study.***

Students who do not submit completed travel study forms upon the first (1st) day they return to school **will not receive credit and will be considered unexcused**. On the first day a student returns to school, the homework should be attached to the travel study form and turned in immediately upon returning to school to the travel study teacher/advisor.

Independent Study applications are available in the office. The student is to complete the application form and have their advisor fill in courses and credits required to complete the semester. Dress Standards

Tracy Unified School District's student dress code supports equitable educational access and is written in a manner that does not reinforce stereotypes. To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently and in a manner that does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size.

Our values are:

- All students should be able to dress comfortably for school and engage in the educational environment without fear of/or actual unnecessary discipline or body shaming.
- All students and staff should understand that they are responsible for managing their own personal "distractions" without regulating individual students' clothing/self-expression.
- Student dress code enforcement should not result in unnecessary barriers to school attendance.
- School staff should use student/body-positive language to explain the code and to address code violations.
- Teachers should focus on teaching without the additional and often uncomfortable burden of dress code enforcement.
- Reasons for conflict and inconsistent and/or inequitable discipline should be minimized whenever possible. Our student dress code is designed to accomplish several goals:
- Maintain a safe learning environment in classes where protective or supportive clothing is needed, such as chemistry/biology (eye or body protection), dance (bare feet, tights/leotards), or PE (athletic attire/shoes).
- Allow students to wear clothing of their choice that is comfortable.
- Allow students to wear clothing that expresses their self-identified gender.
- Allow students to wear religious attire without fear of discipline or discrimination.
- Prevent students from wearing clothing or accessories with offensive images or language, including profanity, hate speech, and pornography.
- Prevent students from wearing clothing or accessories that denote, suggest, display, or reference alcohol, drugs or related paraphernalia or other illegal conduct or activities.

- Prevent students from wearing clothing or accessories that will interfere with the operation of the school, disrupt the educational process, invade the rights of others, or create a reasonably foreseeable risk of such interference or invasion of rights.
- Prevent students from wearing clothing or accessories that reasonably can be construed as being or including content that is racist, lewd, vulgar, or obscene, or that reasonably can be construed as containing fighting words, speech that incites others to imminent lawless action, defamatory speech, or threats to others.
- Ensure that all students are treated equitably regardless of race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size.

1. Basic Principle:

- Certain body parts must always be covered for all students.
- Clothes must be worn in a way such that genitals, buttocks, chest, and torso are covered with opaque fabric. All items listed in the “must wear” and “may wear” categories below must meet this basic principle.

2. Students Must Wear*, while following the basic principle of Section 1 above:

- A Shirt (with fabric in the front, back, and on the sides under the arms), AND
- Pants/jeans or the equivalent (for example, a skirt, sweatpants, leggings, a dress, or shorts),
- Shoes.

*Courses that include attire as part of the curriculum (for example, JROTC or FFA) may include assignment-specific dress but should not focus on covering bodies in a particular way or promoting culturally specific attire. Activity-specific shoes requirements are permitted (for example, athletic shoes for PE).

3. Students May Wear, if these items do not violate Section 1 above:

- Hats. They must allow the face to be visible to staff, and not interfere with the line of sight of any student or staff (if in the classroom, teacher must give permission to wear hats)
- Religious headwear
- Hoodie sweatshirts (wearing the hood overhead is allowed, but the face and ears must be visible to school staff).
- Fitted pants, including opaque leggings, yoga pants and “skinny jeans”
- Pajamas
- Ripped jeans if underwear and buttocks are not exposed.
- Tank tops
- Athletic attire
- Visible waistbands on undergarments or visible straps on undergarments worn under other clothing (if this is done in a way that does not violate Section 1 above).
- Tattoos. However, they must not violate any of the violations outlined in Section 4, otherwise be always covered.

4. Students Cannot Wear:

- Violent language or images.
- Crude or vulgar lettering or images of weapons, occult messages, drugs, tobacco, alcoholic beverages, racial/ethnic slurs, unauthorized group affiliation, sexually suggestive graphics, on shirts, sweatshirts and other apparel are not acceptable.

- Hate speech, profanity, pornography.
- Sunglasses and hats are not to be worn in the classroom, unless permitted by the teacher and/or staff member.
- Images or language that creates a hostile or intimidating environment based on any protected class or consistently marginalized groups.
- Any clothing, apparel, or attire that fails to provide adequate coverage of the body.
- Any clothing that reveals visible undergarments (visible waistbands and visible straps are allowed)
- Swimsuits (except as required in class or athletic practice).
- Accessories that could be considered dangerous or could be used as a weapon.
- Any item that obscures the face or ears (except as a religious observance and/or health guideline such as face masks).

Dress Code Enforcement

To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently using the requirements below. School administration and staff shall not have discretion to vary the requirements in ways that lead to discriminatory enforcement.

- Students will only be removed from spaces, hallways, or classrooms because of a dress code violation as outlined in Sections 1 and 4 above. Students in violation of Section 1 and/or 4 will be provided three (3) options to be dressed more to code during the school day:
 - Students will be asked to put on their own alternative clothing, if already available at school, to be dressed more to code for the remainder of the day.
 - Students will be provided with temporary school clothing to be dressed more to code for the remainder of the day.
 - If necessary, students' parents may be called during the school day to bring alternative clothing for the student to wear for the remainder of the day.
- No student should be affected by dress code enforcement because of racial identity, sex assigned at birth, gender identity or expression, sexual orientation, ethnicity, cultural or religious identity, household income, body size/type, or body maturity.
- School staff shall not enforce the school's dress code more strictly against transgender and gender nonconforming students than other students.
- Students should not be shamed or required to display their body in front of others (students, parents, or staff) in school. "Shaming" includes, but is not limited to:
 - kneeling or bending over to check attire fit
 - measuring straps or skirt length

- asking students to account for their attire in the classroom or in hallways in front of others
- calling out students in spaces, in hallways, or in classrooms about perceived dress code violations in front of others; in particular, directing students to correct sagged pants that do not expose the entire undergarment, or confronting students about visible bra straps, since visible waistbands and straps on undergarments are permitted; and,
- accusing students of “distracting” other students with their clothing.

The dress code guidelines shall apply to regular school days and summer school days, as well as any school related events and activities, such as graduation ceremonies, dances, and prom.
