Week 6 of Summer Fun

Grade 2	
Enjoy these optional learning activities this week!	
ELA	Activity Description Synonyms Directions Synonyms: Find words that are similar in meaning. Examples of synonyms: warm/ hot. pretty/beautiful, big/huge. Draw a picture to show the meanings of your words. Write a sentence using your synonyms, too.
Math	 Activity Description Estimation and Measurement Directions Estimate the length of any room in your house in feet. Remember your fingertip to the inside of your elbow is about one foot. If you have a ruler or yardstick, measure to see if you are correct. Now try in another room.
Social Studies	Activity Description Community Workers Directions Community workers are important people whose job is to help others. They make life better for people in the community. Choose a community worker (fireman, police officer, mail carrier, etc.). Write a letter thanking him/her for their service.
Science	 Activity Description Weather Recorder Directions For the next three days keep a daily weather log. Make sure to include these things in your log: the high temperature for the day, the type of weather (sunny, cloudy, rainy, stormy), and a picture of the sky at around the same time each day.

Special Area

Activity Description

Library - Reading Bingo Card

Directions

• Challenge yourself to read in fun ways, like while enjoying your favorite ice cream or in your pajamas!
