Leatrice Sanders – Principal
Benjamin Haney – Assistant Principal
Jennifer Hughes – Assistant Principal
Mary Taylan – Counselor
Michelle Hope – Counselor
Tiffany Esparza – Student Support Counselor

2024-2025 - ID Badge Policy

Students are required to visibly wear a school-issued photo identification badge (ID) badge during the school day and while on campus at any time.

The photo ID badge must be visible and worn on the student's physical person, in a location above the waist, not on a bag or backpack. The student's photo on the ID badge must be visible and not altered in any way. Students may wear ID badges with a lanyard, or clip it to their shirt. As a safety measure, this allows us to be able to identify who is on our campus at all times. Additionally, it also helps students to get ready for college and/or for jobs that require ID badges.

The first ID badge will be provided to students, along with a lanyard – free of charge. Students will be provided with two temporary ID badges for the school year, when they do not have their ID badge. Thereafter, each time students do not have their ID badge, they will be required to purchase a new ID badge for \$5 (lanyard included), to cover the cost of the materials needed to make ID badges. Lanyards only may be purchased for \$1.

These fees are added to students' Skyward account. Parents may pay student fines and fees online in Skyward Family Access, underneath the Fee Management tab or students may bring cash or checks to school to pay the school bookkeeper.

Parents, we encourage you to log in and regularly check your child's Skyward account to monitor fees being added to the student's account. Click the following link for directions to pay Skyward fees: [Directions to Pay Student Fees](#).

Thank you,

Victory Lakes Intermediate
