

2024 Summer Reading 9th Grade

“Life is a matter of choices, and every choice you make makes you.” John C. Maxwell

Hello rising ninth-graders, and welcome to Baldwin High School! Your ninth-grade teachers are looking forward to meeting you and working with you! Did you know that taking a “brain break” for the **entire** summer can cause you to lose some of the skills that you worked hard to develop this year? Your teachers encourage you to read a lot this summer and are interested in hearing about your reading lives when you return in September.

This summer we encourage you to read **ONE** title from the 9th Grade Summer Reading Book List or select a book of your choice. As you read, be sure to *take notes, focusing on the essential question: **How do our choices impact our lives?*** You may use a notebook or post-it notes to keep track of your thoughts and ideas about the book. This will help you remember the story and prepare for a Socratic Seminar when you return to school.

At the end of September, you will be participating in a Socratic Seminar. Each student will be sharing their views and ideas about the book. Your teacher will ask you to reflect on the seminar as an in-class assignment. This will count as a first-quarter grade.

Task

Task: When you return to school, following the Socratic Seminar, you will complete a reflection in which you respond to the essential question:

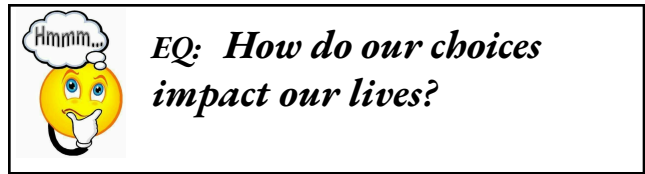

How do our choices impact our lives?

In order to complete this task, you will need to do the following:

1. Read **one** text from the 9th Grade Book List or a **book of your choice** that aligns to the above essential question.
2. Prepare to participate in a Socratic Seminar when you return to school by:
 - Reflecting** on the essential question: *To what extent do our choices impact our lives?*
 - Taking notes** as you read.
 - Choosing one** quote from the beginning, middle, and end of the text (three quotes in total) that is relevant and made an impact on you.

* You will need your notes and your quotes when you return to school, so please keep them in a notebook.
