

Eton Porny C of E First School

Newsletter 38 – Summer Term 2

19th of July 2024

*We are all created unique and special.
He made us all perfect having our own uniqueness.*

1 Peter 4:10-11 "God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another."

Dear Parents, here we are at the end of term and what an absolutely fantastic year it has been. Our year 4 children have been an absolute pleasure over the last 5 years and we know that they are all ready to transition to the next stage of their learning journey. We wish you all the best of luck and will miss you all! These last few days have been really special with all the end of term activities and we hope the children leaving us will have very fond memories of their time here at Eton Porny. For those children returning in September we can't wait to see you back with us - the first day back is Thursday 5th of September. Finally, I'd like to wish you all a relaxing summer break, and say a huge thank-you to all parents for their continued support and helping to make Eton Porny such a wonderful place to be, Emma Stanford-Smith (Headteacher)

SUMMER HOLIDAY CLUBS AND ACTIVITIES

There is lots of information on our school website regarding summer holiday clubs and activities. Please check out the link below:

Book Prize Winners

At the end of the academic year each class teacher presents three book prizes to children in their class for a variety of achievements

Baldwin's Bridge Trust Winifred Hay Memorial Prize

Each year we are honoured to present two children in Year 4 with the Baldwin's Bridge Trust Winifred Hay Memorial Prize for outstanding contribution to all areas of school life as chosen by the Eton Porny staff. This year the prize was presented by Mayor and Mayoress Leach.

WE NEED YOUR HELP

Starting the first week in July our School is going to be one of the organisations receiving the blue tokens in Tesco. This will run until September.

The Project that wins will receive up to £1500 to go towards their chosen project

If we are one of the lucky winners the money will go towards swimming lessons for the children as we believe it is such an important life skill for children living in and around Windsor.

We really need your help with collecting as many Tokens as we can.

To vote, you will need to make a purchase within store of any value. You will receive one token per transaction and it's not necessary to purchase a carrier bag in order to receive a token. With the self service tills you can help yourself to tokens but if you use a manned check out you may need to ask for the tokens. You then need to pop your Token in the Eton Porny Collection point. You can vote as many times as you want up until the end of September.

Please Encourage Friends and Family to join in whenever they shop at Tesco.

Here is a list of the stores where you will be able to vote:

- Windsor 3211 Slough Express SL3 7HR
- Windsor 2972 Langley Slough Express SL3 8BB
- Windsor 6092 Datchet Express SL3 9HW
- Windsor 4460 Windsor Peascod Street SL4 1EA
- Windsor 6742 Windsor Express SL4 3QL
- Windsor 3404 Windsor SL4 4JT

Camp where fun and learning
come together beautifully.**

WHY IS IT IMPORTANT TO READ OVER THE SUMMER?

Research shows that **students can maintain or improve reading skills** when they are out of school for the summer.

Access to books over the summer increases reading opportunities and enjoyment of books, and **helps students be ready for next school year.**

Students who read **at least five books** during the summer can maintain important literacy skills.

5 TIPS FOR MAKING READING PART OF THE FUN!

Lead by example.

Make reading a part of your own summer routine. One of the biggest factors that determine if a student will be a lifelong reader is seeing someone in their family set that example. Keep lots of reading material around the house and set aside 10-15 minutes a day for your child to read or you to read to them.

Make a "Summer Fun Journal."

Combine your children's favorite summer activities with writing prompts. Have children pick out or craft a summer fun journal, and when you take them to their favorite restaurant, or on a trip to Grandma's, they can write a short entry in their journal afterwards.

Read everything, everywhere.

Have your child read billboards, signs, and pamphlets. If you go on a trip to the park or pool, have children be responsible for reading park and pool signs, rules, and anything else that they see!

Take your child on regular trips to the library.

Taking a trip to the library is a fun reading centered activity that children love. Make regular visits to the library and let children spend as much or as little time as they want picking out books to take home.

When reading, ask your child lots of questions.

Reading lots of different books, silently or aloud with someone else, helps children build phonics skills and read fluently. And, talking about books, answering questions, and re-telling stories helps children develop their ability to understand language.

HOW CAN YOU HELP YOUR STUDENT AT HOME?

BEFORE READING

- Read the title, author, and illustrator.
- Why did you choose this book to read?
- Flip through the pictures and make observations about what you notice and make predictions about what you think the book will be about.
- Set a purpose for reading. For example: Say, "Let's read to find out more about ____."

DURING READING

- Look for words that start with familiar letters. For example, if your child knows the letter 'c' have them find at least 3-4 words in the book that start with 'c'.
- Who are the main characters?
- What is the setting of the story?
- Describe the illustration or picture.
- What happened on this page?
- If it is a non-fiction book: What have you learned on this page? So far?

AFTER READING

- Discuss what happened in the beginning, middle, and end of the book.
- What was your favorite part of the story? Why?
- If it is a non-fiction book: What important information did you learn about the topic?

The Health Bus is coming!

Early Years Sensory Processing Workshop

The Occupational Therapy Team will be visiting Bracknell on the Health Bus. Our Occupational Therapists will be delivering the Early Years (ages 0-5) Sensory Processing workshop live at 9.30am and will be available for any questions before and after.
