

Bishop Dunne Catholic School Bus Information 2024-2025

Students need to be registered for bus transportation for the entire school year. Students entering at mid-term may register for bus transportation for the remainder of the year if there is space available. Please note that fees must be paid in advance. Since registration reserves a seat on the bus, there will be no discount for non-use. Fees are non-refundable and non-transferable.

If additional information is required or you wish to express interest in a proposed bus stop, please contact Billy Merchant at bmerchant@bdcs.org or call 214 339 6561. Please note that bus stops will not be added unless there are enough riders. As well, bus stops may be eliminated if there are no riders for existing stops.
