

## HSA Tax Forms

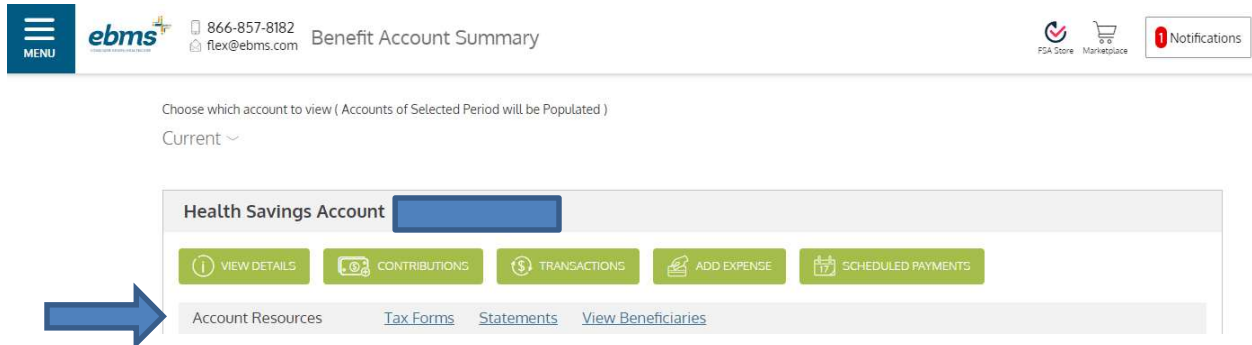

You will go to [www.ebms.com](http://www.ebms.com), and use the Login button to access your MiBenefits account where you will click on the portal button that appears in your account.

The portal button will redirect you to the Personal Dashboard for your Health Savings Account(HSA). Go to the blue Menu box, select the Accounts menu and choose My Accounts.

This will take you to the Benefit Account Summary page where the Account Resources are located.

The 1099-SA tracks distributions or payments made to the provider's office and will be issued after January 31<sup>st</sup>. *This form is not generated if you have not paid any providers from the HSA.*

The 5498-SA tracks the contributions or deposits made in the previous year and will be available after May 1<sup>st</sup>.
