

Sand Creek Intermediate: Mission, Vision, Values, and Goals

Implementation

SCI uses the Leader in Me framework to nurture student leadership, foster a culture of trust, and boost academic success.

Mission

WE AFFIRM:

Our school is focused on being a student-centered space where all children feel safe, cared for, inspired, and valued.

Vision

Sand Creek Intermediate School is a collaborative community which provides a comprehensive education for students in fifth and sixth grade. Through a nurturing educational environment, we create awareness of cultural diversity, model fine character development, encourage strong work ethic, and pattern a sense of community. Our school promotes academic excellence that equips all students to succeed in continuing educational experiences which lie ahead as life-long scholars.

Values

SCI's values create a foundation for a supportive and dynamic learning environment where every student is equipped to thrive academically, socially and emotionally, preparing them to be responsible, empathetic, and engaged global citizens.

Goals

- Building student relationships
- Utilizing engaging instructional practices
- Committing to our students' needs
- Evaluating data to drive instruction
- Engaging families in their student's academic and emotional growth
- Incorporating the Fishers community into our school
